AND

IN THE MATTER of an application by Bay Store Limited pursuant to s.127 of the Act for renewal of an off-licence in respect of premises situated at 1 Harington Point Road, Portobello, known as "Portobello Store"

DECISION OF THE DUNEDIN DISTRICT LICENSING COMMITTEE

In accordance with section 191(2) of the Sale and Supply of Alcohol Act 2012 this application has been considered under delegated authority.

DECISION

This is an application by Bay Store Limited for the renewal of an alcohol off-licence in respect of their premises situated at 1 Harington Point Road, Portobello, and known as the "Portobello Store".

This is the first renewal for the premises and is for a roll-over of the present conditions.

The application was duly advertised and no objection has been received. However, the three reporting agencies, Police, Medical Officer of Health and Licensing Inspector all opposed the renewal of the licence.

The Applicant recently appeared before the Alcohol Regulatory and Licensing Authority for breaches of their responsibilities under the Act and had their licence suspended for 28 days. When the Applicant was advised the agencies were making applications to the Authority for the cancellation/suspension of their licence, they removed alcohol from their shelves and stopped selling pending the result of the hearing.

During that hearing, the Applicant indicated they were trying to sell the business. The Authority noted the premises was in an isolated and sparsely populated part of Dunedin and indicated it would be preferable for them to be able to sell the business as a going concern.

The Licensing Inspector has assessed the application against the criteria in the Act and noted that the concerns of the reporting agencies were aired at the ARLA hearing which resulted in the suspension. The Inspector advised they now have certified managers to operate the premises properly.

While the three agencies oppose the renewal of this licence, the Inspector suggested this matter could be dealt with on the papers if the Applicant was amenable to a truncated renewal period to allow time for them to sell the business.

In an email response from the Applicant, they have agreed to a truncated renewal period of twelve months. On this basis, the matter is dealt with on the papers.

We are satisfied as to the matters to which we must have regard as set out in s.105 of the Act and therefore renew the licence until 13 June 2027, that being one year from the first anniversary of the licence as discussed and authorise the issue of a replacement licence and notice of renewal.
