

Maori Uses of Native Plants

1. Lipstick
Use blue pollen from

flowers

3. Tattoos
Use the colour from burnt

wood

2. Perfume
Use the smell from

leaves

Crush leaves gently
and sniff. What do
they smell of?

What colour would the
burnt wood make?

4. Tummy Aches
Drink the juice of boiled

leaves

5. Cuts
Make a plaster of

gum

6. Burns
Make a bandage of

soft inner bark

7. Clothes dye
Use the colour from

flowers

What colour are these
flowers?
