Dear Dunedin City Councillors,

I am writing this letter to inform you about the cutting in front of Portobello School, Portobello Kndy and Portobello Church. It is very dangerous as there is no pathway for people to walk across and poses danger to the tourists who just want to walk.

In 2024 tourists spent 834.7 million dollars in Dunedin alone and if our roads are not safe enough the tourists will not come see our beautiful wildlife and give us MONEY. I would like it if you spent some of your money on the cutting to make it bigger and adding a path to SAFELY walk on the side of the road.

Now that you have seen this I would like you to consider using some off your money on this part of our roads.

Sincerely,
Joseph :)

Please feel free to provide feedback on any of the content within this 9 year plan consultation document.
