Thanks Louise, so just to be absolutely clear, Mercy Hospital is not asking for the whole plan change to be withdrawn in the event the amendments sought are not made, just the aspects submitted on in Annexure A.

Thanks
Emma

Kia ora Emma

Many thanks for your call just now. I can confirm that section 5(d) of Mercy's submission relates to the provisions it has submitted on only (as set out in Annexure A), not the whole plan change.

Let me know if you need anything further on this matter.
