---

Dear Regulation Management Team,

On behalf of the East Taieri Board of Trustees, I am writing to express our support for the implementation of 12 meters of no-stopping lines by the entrance of East Taieri School.

We believe that this measure would significantly enhance visibility for those exiting our driveway on Cemetery Road, thereby improving the safety of our school community.

Thank you for considering our submission

Ngā mihi,  
Liz Campbell  
East Taieri Board of Trustees
