

Mosgiel Recreation Area Reserve Implementation Plan

Action	Description	Relevant RMP policies	Priority	Timeframe
Prepare a Marketing Plan	<p>The Marketing Plan will identify activities DCC want to promote within the Reserve and opportunities to host events. It will investigate gaps on provision identified within the Ōtepoti Dunedin Destination Management Plan, i.e., accessible tourism, ecotourism.</p> <p>The Marketing Plan will identify unique attributes within the reserve, and investigate partnerships and funding opportunities.</p>	8.2.1, 8.2.2, 8.2.3	Med	FY 2027/28
Prepare a Reserve Master Plan	<p>The Reserve Spatial Plan will consider where best to locate and encourage recreational activities, facilities, and infrastructure within the reserve; this will include:</p> <ul style="list-style-type: none"> • Ensuring any new facilities are accessible. • Existing structures/buildings • Potential locations for future structures/buildings, including a new multipurpose sport facility and ancillary structures. • Location for new facilities, e.g., drinking fountains, toilets, shelters, signage, bins, picnic/BBQ areas, within the reserves. • Identification of both existing and future access points, carparking, connections and circulation routes within and beyond the reserves. • Identify the location for the new skatepark and outdoor courts. • Location for additional lighting. • Investigate whether there would be a suitable location within the reserve for outdoor community fitness equipment. 	8.3.1, 8.6.1, 8.6.2, 8.6.4, 8.6.5, 8.6.6, 8.6.7, 8.6.8, 8.7.1, 8.7.1	High	FY 2025/2026

	<ul style="list-style-type: none"> Investigate what types of recreational activities may be supported within the reserve. 			
Undertake an Ecological Assessment of the Reserve.	To inform habitat restoration work along the Whakaehu/Silver Stream.	8.4.1	High	FY 2025/2026
Prepare a Revegetation/Landscape plan	To be developed in collaboration with mana whenua and stakeholders, identifying native plant species to be used within the reserves.	8.4.3	Med	FY 2027/2028
Prepare a Maintenance/Management Plan	To improve the level and quality of maintenance with a particular focus on Mosgiel Memorial Gardens.	8.3.3	High	FY 2026/2027
Investigate the potential of Mosgiel Memorial Gardens being run as a satellite curated garden to the Dunedin Botanic Garden.		8.3.2	Med	FY 2027/2028
Develop an Interpretation/Narrative Plan	Consult with mana whenua about appropriate ways of recognising Kāi Tahu mana whenua status and cultural heritage within the management of the reserves. Investigate opportunities to identify historic features and values associated with the reserves liaising with DCC heritage staff, local Iwi and Heritage New Zealand Pouhere Taonga. The Plan will look to manage, enhance, and celebrate the social, cultural and mana whenua history of the reserves in a manner that engages and informs the visitor.	8.5.2, 8.5.3	Med	FY 2027/2028
Prepare a Playground Plan.	The plan for a destination playground area in Mosgiel Memorial Gardens to ensure any new development is cohesive and not ad hoc.	8.6.3	Med	FY 2028/2029
Assess all tracks around accessibility and inclusivity.	Ensure tracks align the DCC Recreation Tracks Plan and the New Zealand Handbook SNZ HB 8630:2004 in terms of width, surface treatment and maintenance.	8.8.2, 8.8.4, 8.8.5, 8.9.4	Med	FY 2027/2028
Develop a mechanism to manage the identification and avoidance of		8.5.1	High	FY 2025/2026

archaeological sites during earthwork activities.				
Improve the trail along the Silverstream Bank Reserves for safer and easier access.	Consideration to be given to the management of the macrocarpas along the boundary with Peter Johnstone Park. This will include engaging with ORC around the options of management. If ORC support the removal of the trees speak to community groups about whether they have any interest in being part of their removal. Any community group involvement will require a corresponding volunteer agreement.	8.8.1	High	FY 2025/2026
Review all current signage and if required prepare a Signage Plan.	Ensure there is clear directional guidance with signage and maps where appropriate. Signage should also clearly identify no smoking or vaping within the reserves.	8.9.1, 8.9.2	Med	FY 2027/2028
Investigate sustainable management practices for the reserves to ensure resilience of the reserves and community.		8.10.1 – 8.10.13	Med	FY 2027/2028
Upon renewal of Reserve Leases consideration will be given to equitable use and access across all reserves.		8.6.10, 8.6.11	Med	As required
