Additional kerbside details:

Tell us your preferred additional wheelie bins and how many (*a \$32.50 delivery and administration fee applies*).

Yellow-lidded mixed recycling 240L

Number of additional bins (2 maximum):

☐

1

or

☐

2

The DCC will invoice you \$50 per annum per bin in addition to the property's targeted rate. We don't offer additional 80L sized bins.

Green-lidded garden waste bin 240L

☐

1 (maximum of 1)

The DCC will invoice you \$92 per annum in addition to the property's targeted rate. We don't offer additional 25L sized bins.

Blue bin for glass recycling 45L

Number of bins (2 maximum):

☐

1

or

☐

2

\$15 per bin payable at Service Centre with application.

We do not supply additional red-lidded rubbish bins because the aim of our service is to reduce waste to landfill.

Additional recycling bin charge:

Additional bin charges cannot be included in the property's rate account. An annual invoice will be charged to the property owner for the additional bin(s). The charge will be the Residential Kerbside Recycling Charge which is set annually by the city's Councillor's during the Annual Plan process. Please refer to our website for further information: www.dunedin.govt.nz/services/rates-information.

Please note: If your property receives DCC kerbside collection services/is on a kerbside collection route, your annual DCC property rates charge will include a target rate for kerbside collection services. This charge covers the cost of the four-bin kerbside recycling and rubbish service.

Declaration:

I confirm this request for an additional kerbside bin for the Dunedin City Council Kerbside Recycling Collection.

I understand and agree that the charge for this service will be invoiced annually.

I understand there is a \$32.50 one off delivery fee for any additional bin(s). This is payable upon application.

I confirm recycling will be correctly sorted into each DCC kerbside collection bin as outlined by the DCC at: www.dunedin.govt.nz/recycling.

I understand the 240L yellow-lidded mixed recycling bin and the 240L garden waste bin contents maximum weight is 60kg.

I understand the 240L garden waste bin will not contain food scraps (to prevent it getting too heavy for the collection team to safely empty).
