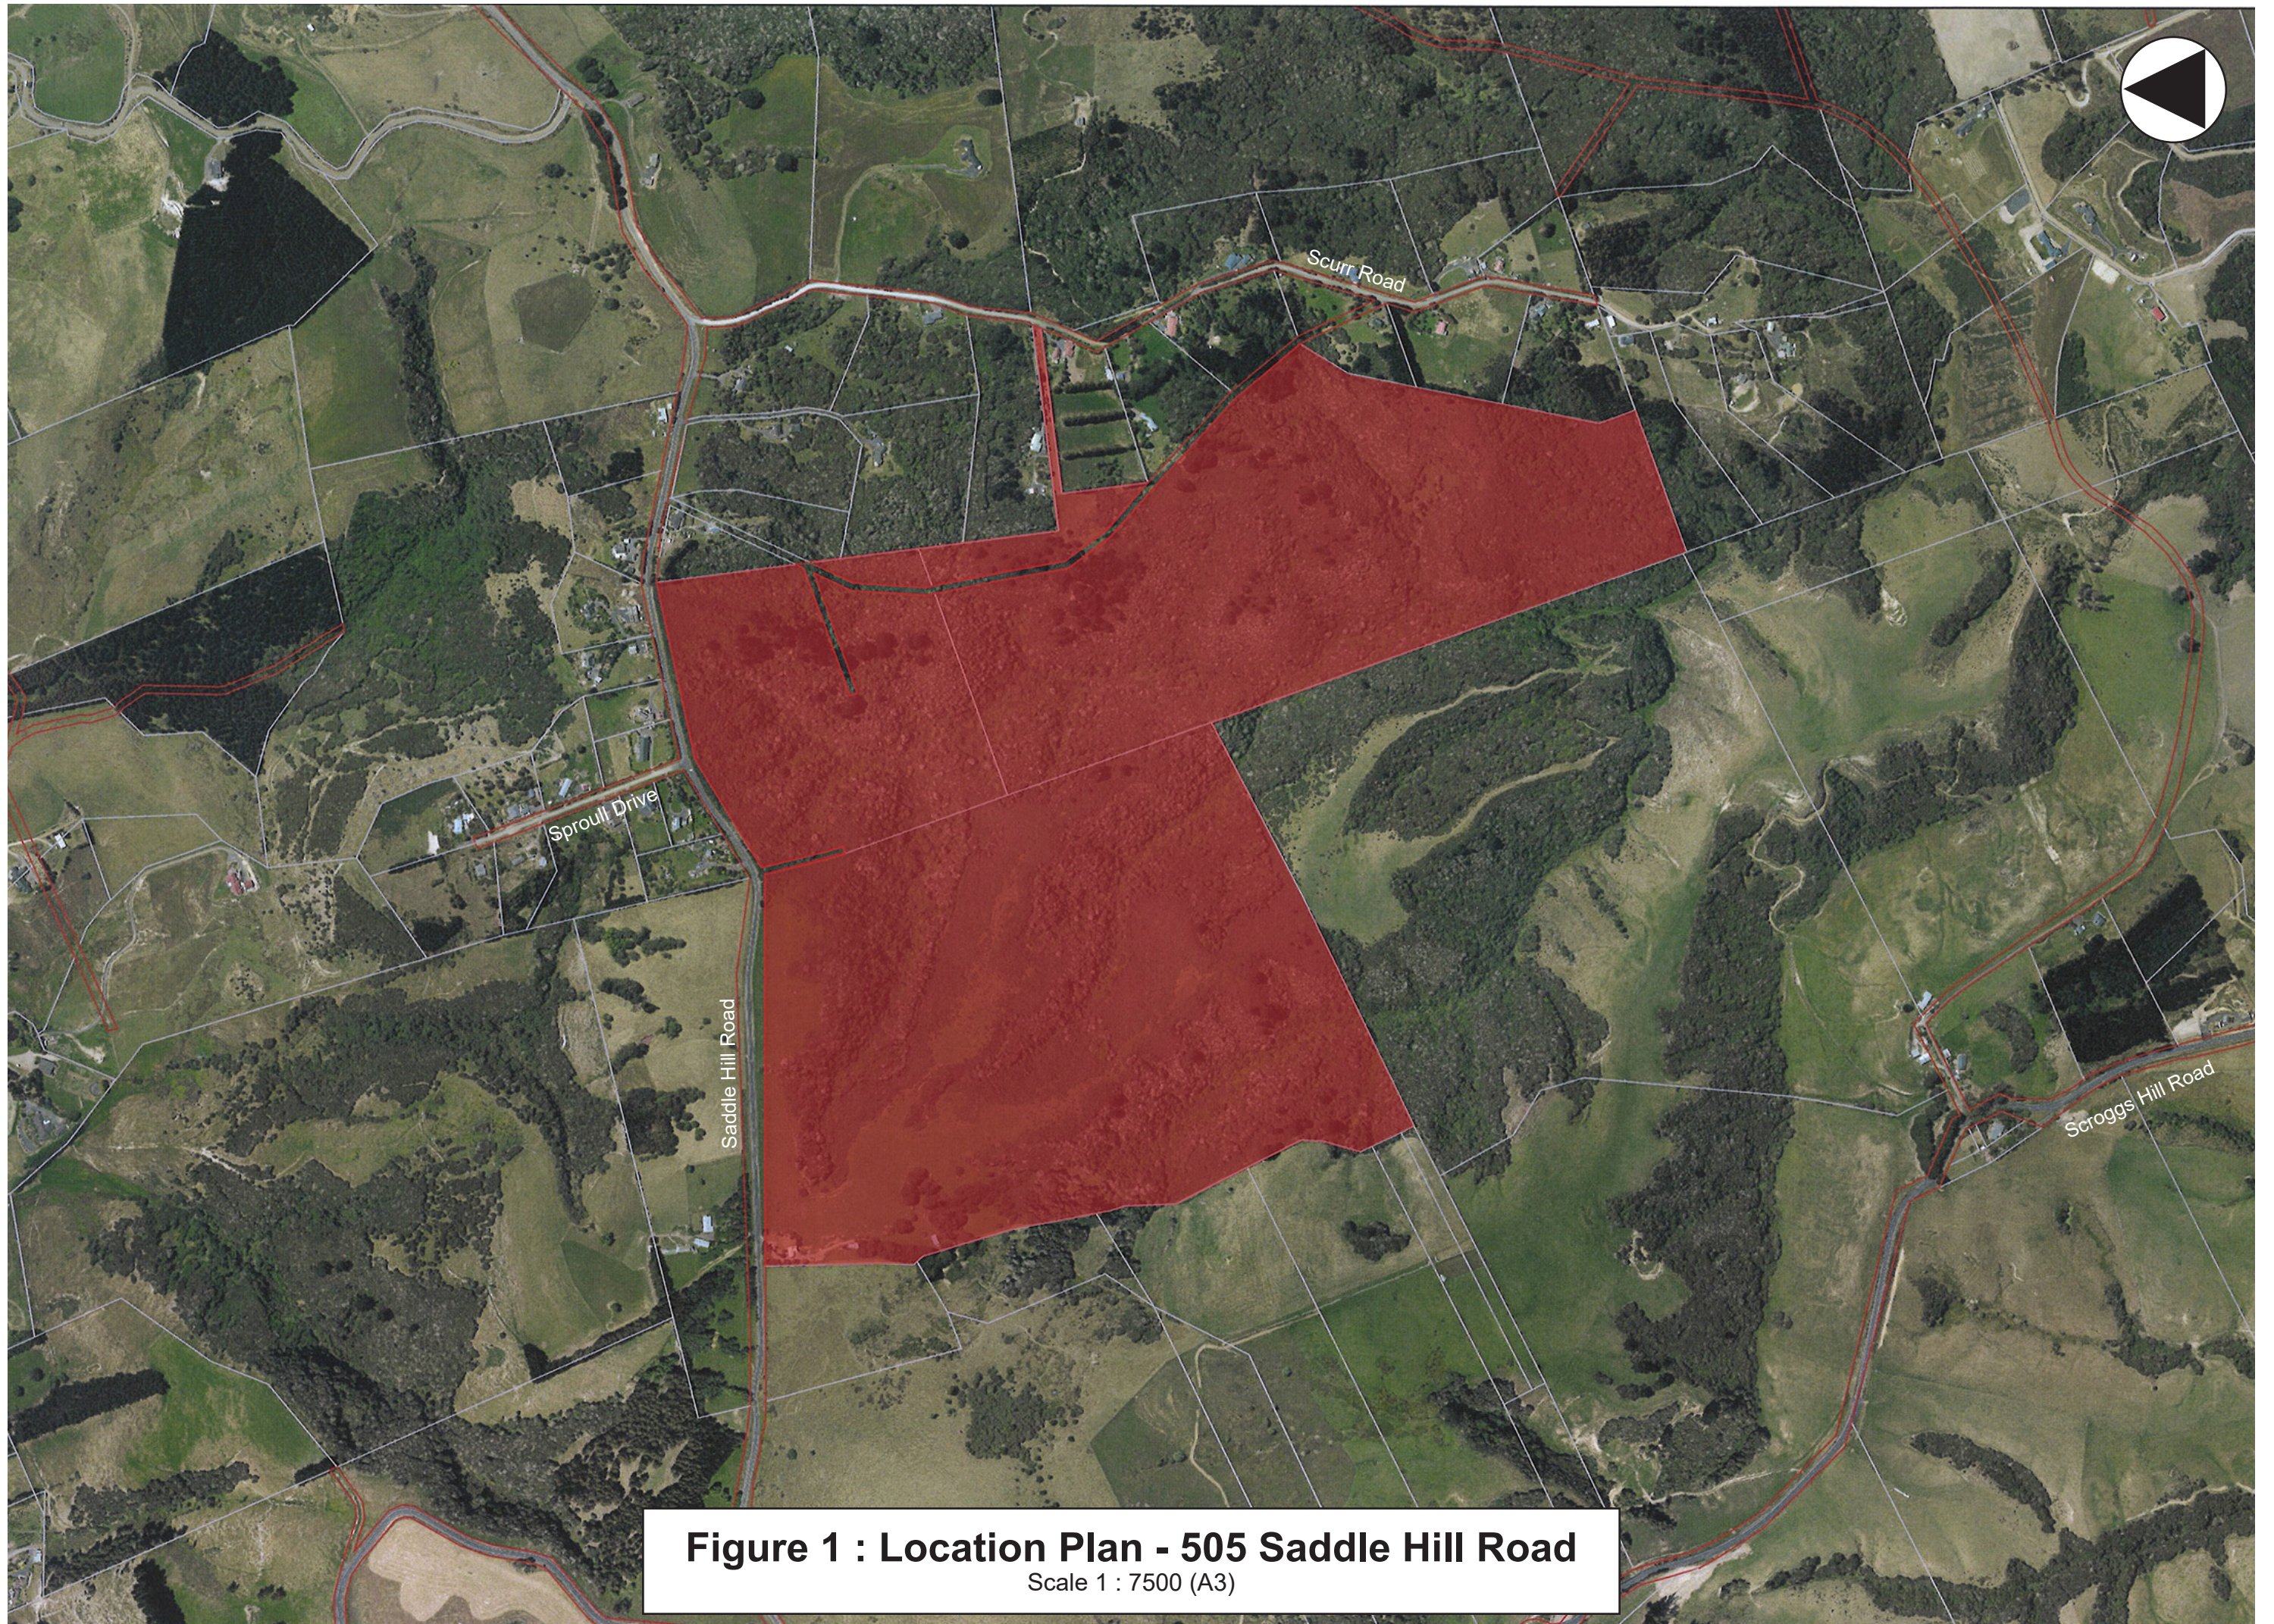

Figure 1 : Location Plan - 505 Saddle Hill Road

Scale 1 : 7500 (A3)

Figure 2 : Oblique Aerial view over 505 Saddle Hill Road

Figure 3 : View westward along Saddle Hill Road from its intersection with Sproull Drive

Figure 4 : View eastward along Saddle Hill Road from its intersection with Sproull Drive

Figure 5 : View westward toward the property from approximately 840m to the east on Saddle Hill Road.

Figure 6 : View westward toward the property from the Saddle Hill Road, Scurr Road intersection

Figure 7 : View eastward toward the subdivision site from approximately 420m to the west on Saddle Hill Road

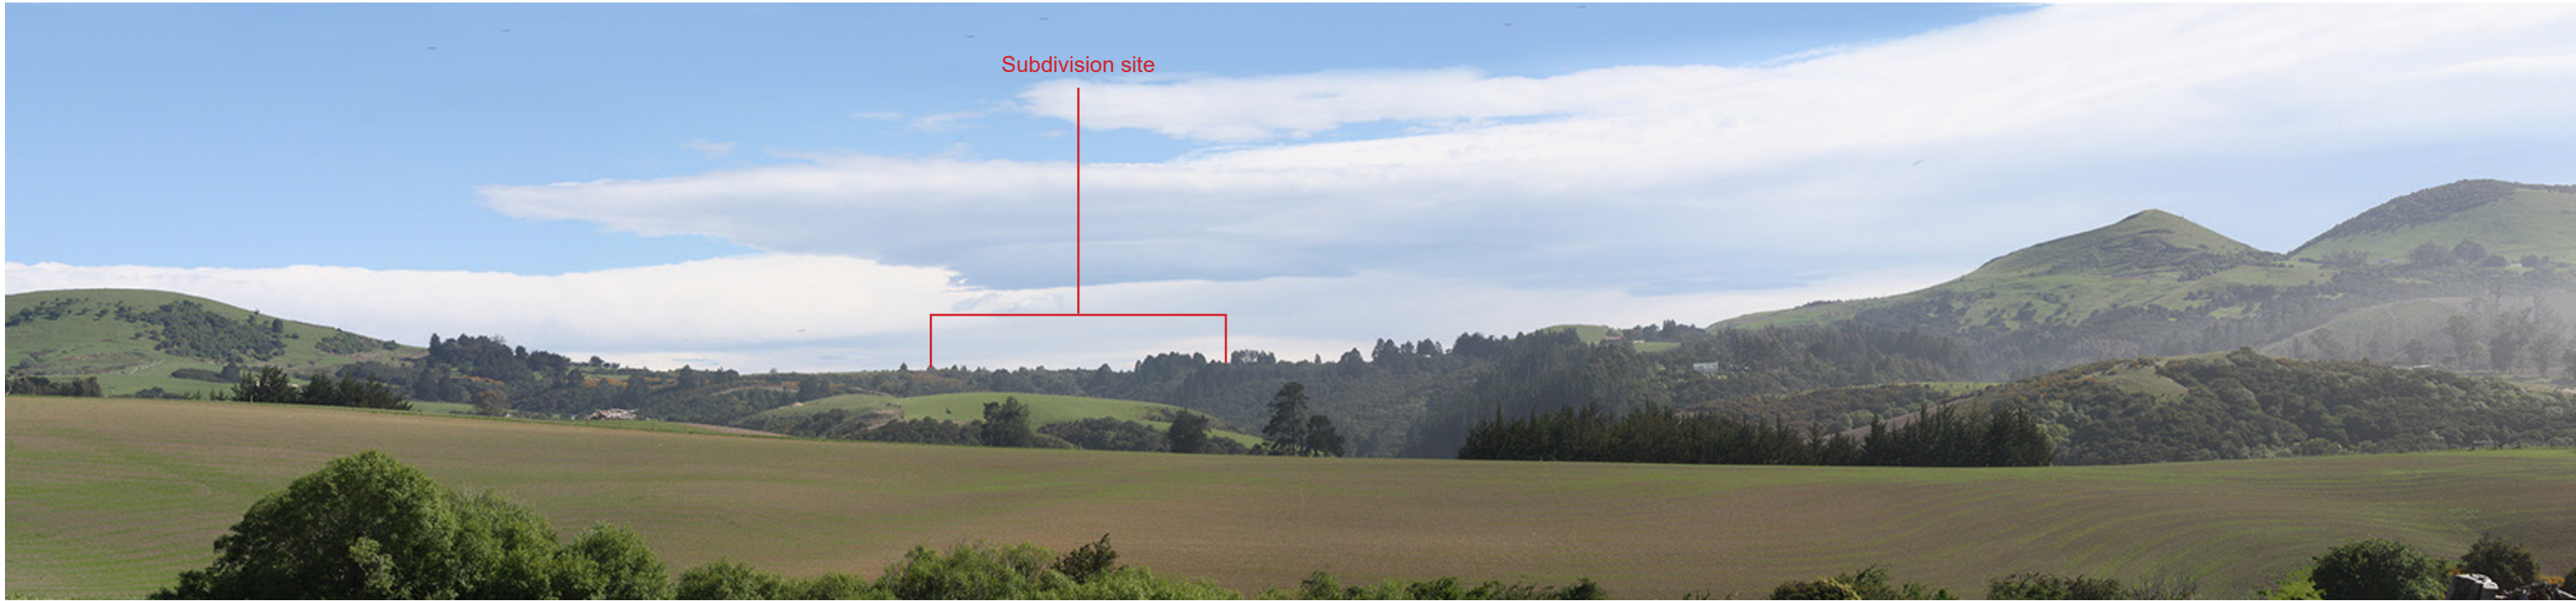

Figure 8 : View northward toward the site from Scroggs Hill Road near Brighton

Figure 7 : View eastward toward the subdivision site from approximately 420m to the west on Saddle Hill Road

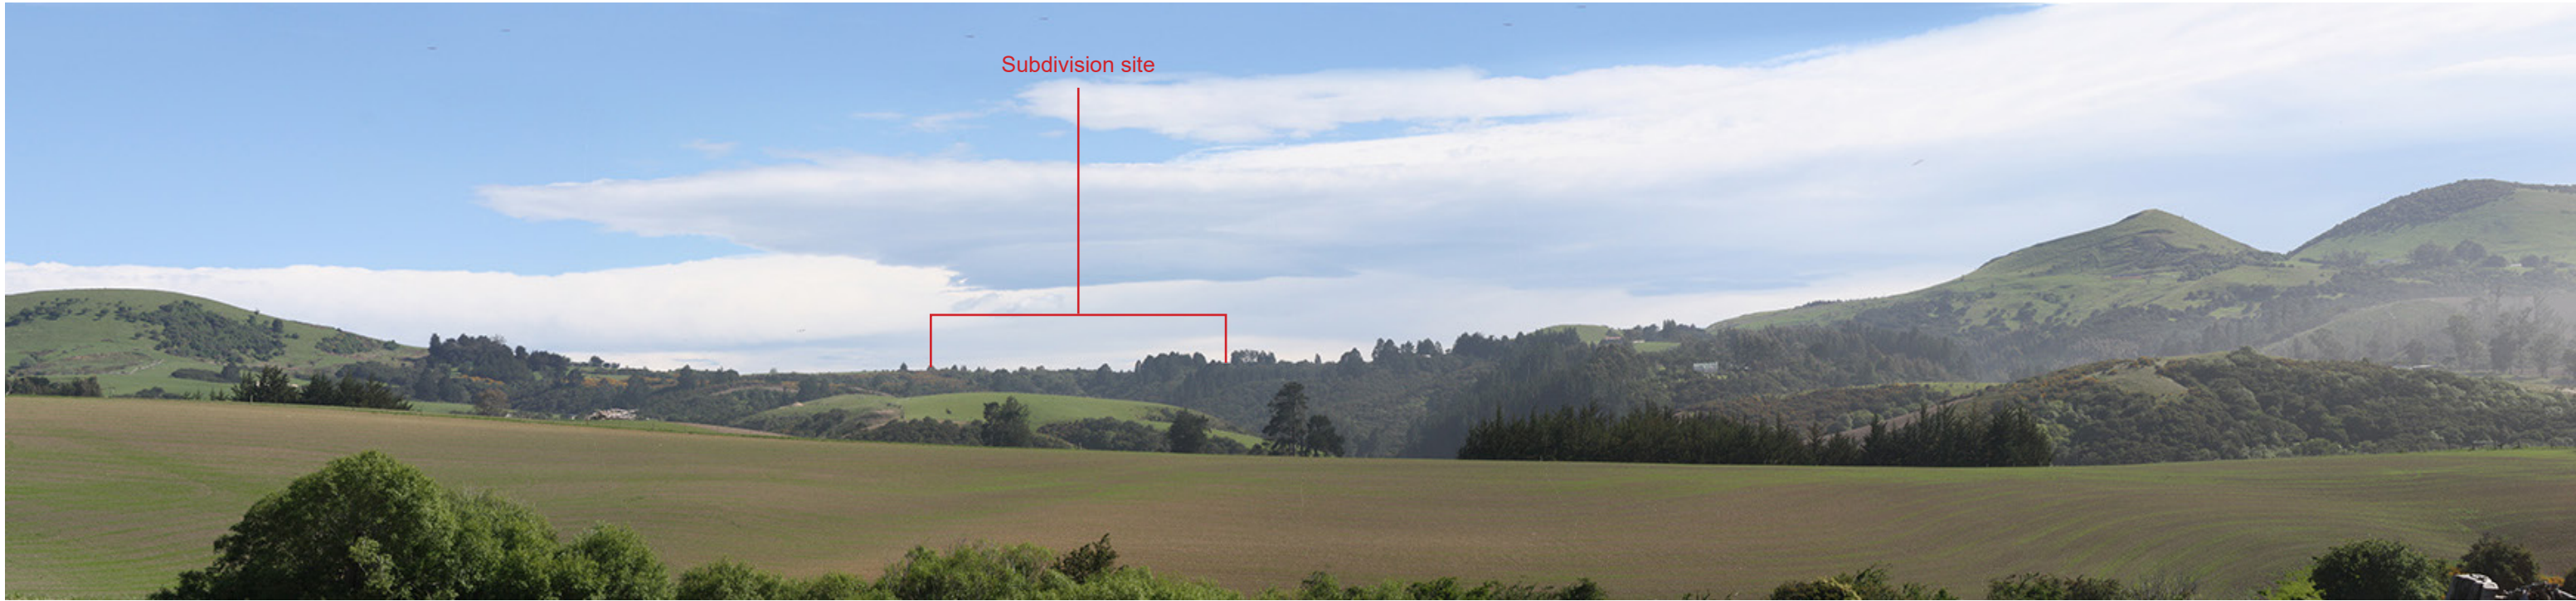

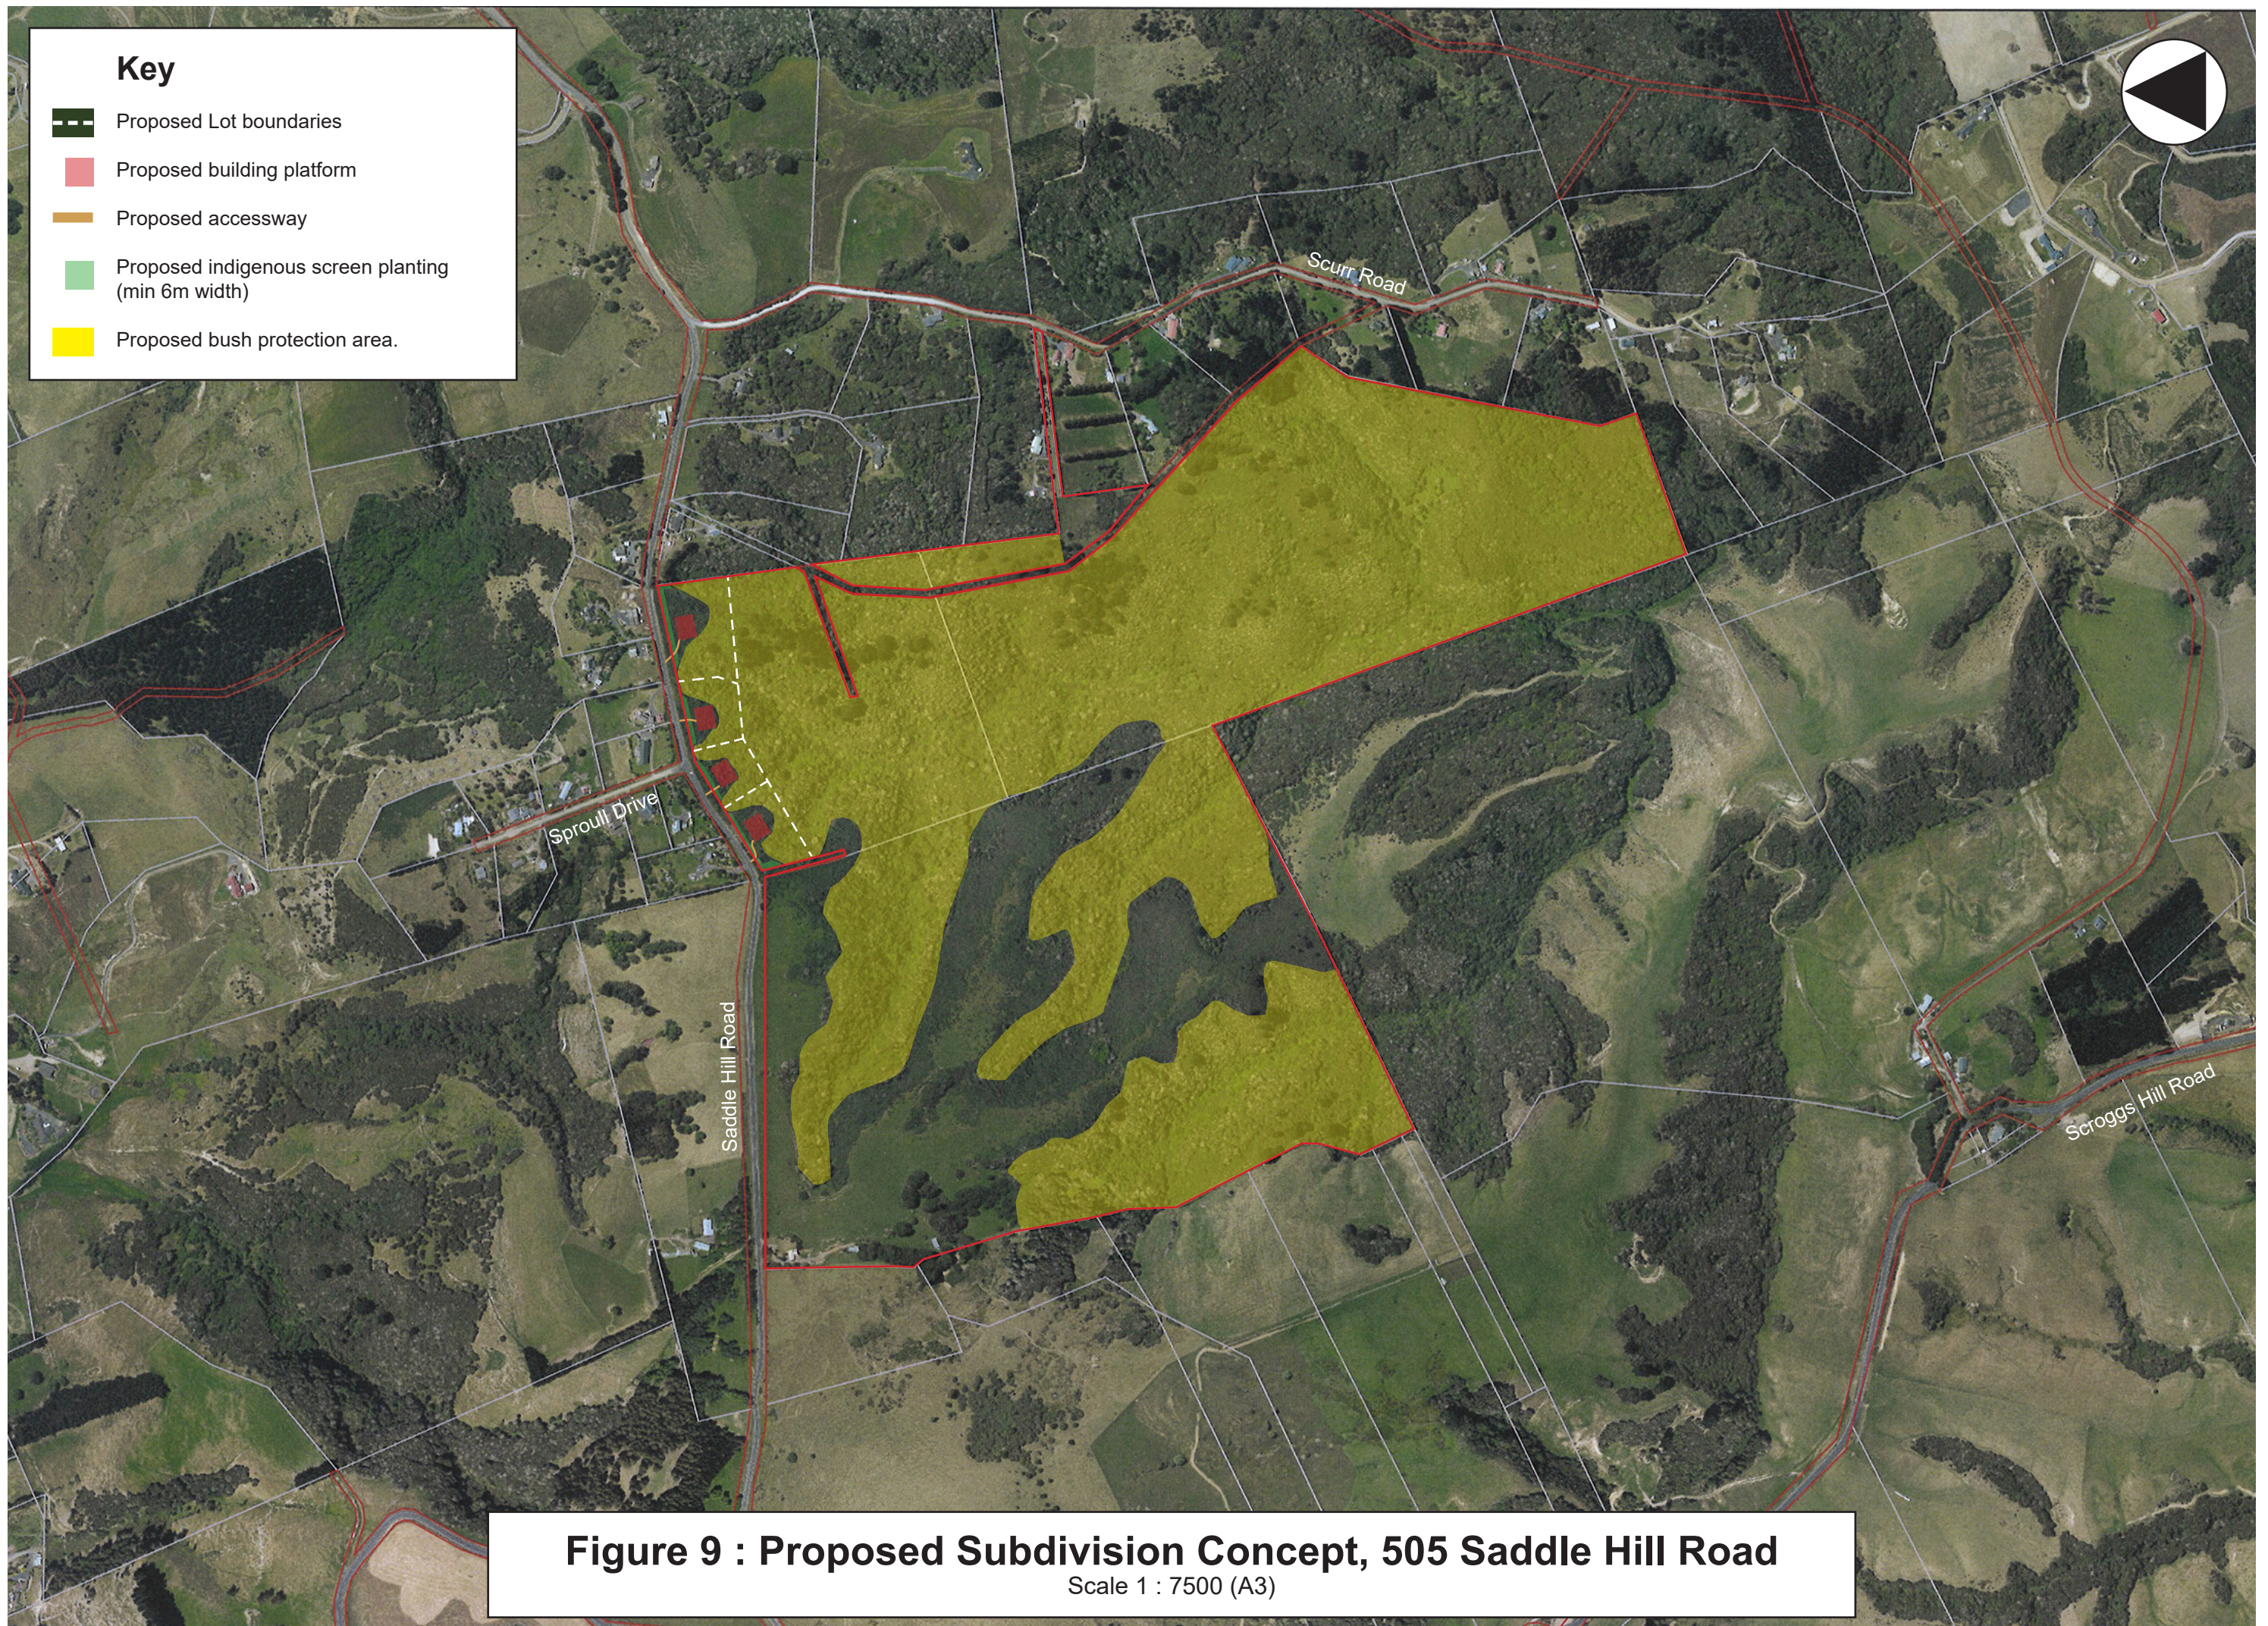

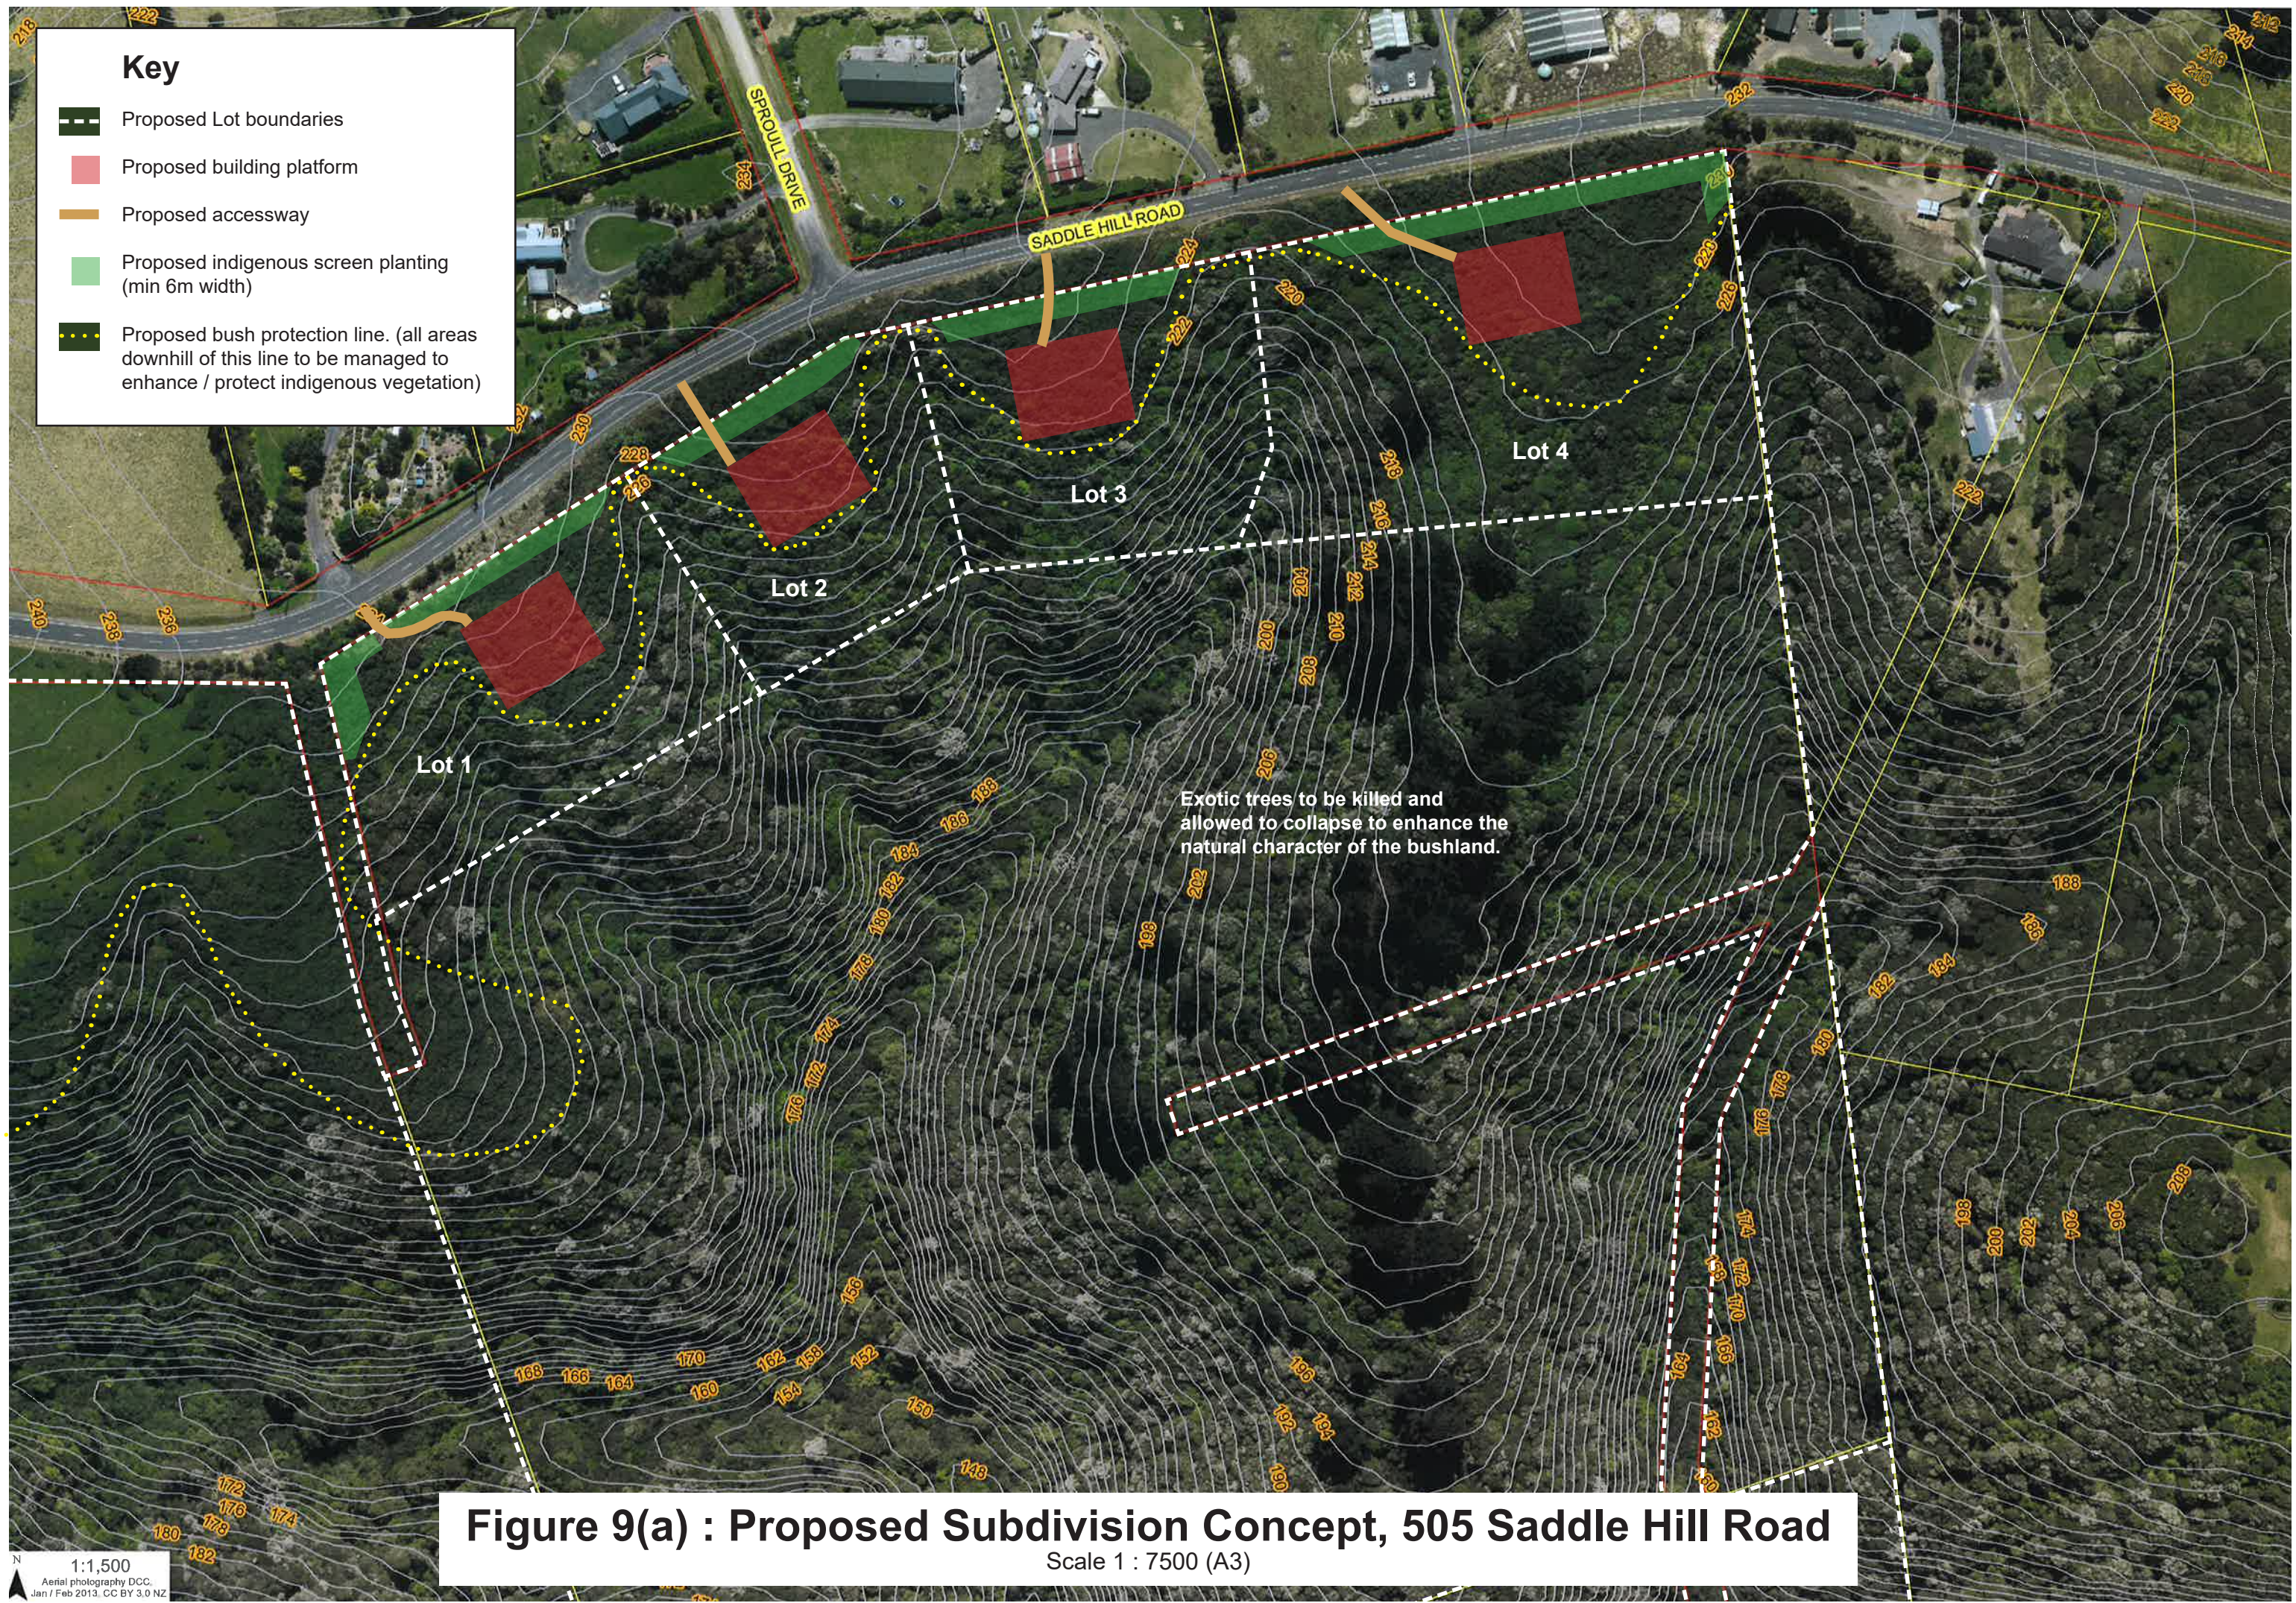

Figure 8 : View northward toward the site from Scroggs Hill Road near Brighton

Key

- Proposed Lot boundaries
- Proposed building platform
- Proposed accessway
- Proposed indigenous screen planting (min 6m width)
- Proposed bush protection line. (all areas downhill of this line to be managed to enhance / protect indigenous vegetation)

Exotic trees to be killed and allowed to collapse to enhance the natural character of the bushland.
