

THE PROPOSED **SECOND GENERATION DISTRICT PLAN**

SUMMARY OF DECISIONS REQUESTED FOR THE PROPOSED SECOND GENERATION DUNEDIN CITY DISTRICT PLAN – ADDENDUM

Recently the Council notified a Summary of Decisions Requested for the Proposed Second Generation Dunedin City District Plan (2GP). Unfortunately three submissions that had been received within the statutory time period were not included in that summary. We are now notifying those submissions as required by the Resource Management Act 1991 (RMA).

The Summary of Decisions Requested to the Proposed Second Generation Dunedin City District Plan (2GP) together with this addendum related to these submissions has been prepared and is available, alongside copies of all submissions, for inspection at:

- www.2gp.dunedin.govt.nz
- the 2GP drop-in centre, 11 George Street, Dunedin, 10am to 3pm, Monday to Friday
- public libraries and/or service centres at Dunedin, Middlemarch, Mosgiel, Port Chalmers, Blueskin Bay (Waitati) and Waikouaiti.

The Summary of Decisions Requested report is a concise summary of the decisions requested in the submissions on the 2GP which closed on 24 November 2015. It is not the full or exact content of submissions. It is prepared to enable the further submission process which is set out in Schedule 1 of the RMA.

WHAT CAN A FURTHER SUBMISSION COVER?

A further submission can only be made in support or opposition to a point raised in another person's submission.

WHO CAN MAKE A FURTHER SUBMISSION?

The RMA limits who can make further submissions to:

- any person representing a relevant aspect of the public interest
- any person that has an interest in the proposed plan greater than the interest that the general public has
- the local authority (Dunedin City Council).

It provides an opportunity for people who may be affected by an original submission to have their views considered. You do not have to have made an original submission to participate. If you have made an original submission you do not need to repeat submission points made in that submission as they will already be considered.

The further submission period has commenced and closes at 5pm Friday, 26 February 2016.

HOW DO I MAKE A FURTHER SUBMISSION?

The RMA requires further submissions to be in a prescribed form (Form 6 Schedule 1). An easy way to make a submission is using the 2GP on-line submission system, which ensures submissions are in the prescribed form and allows you to link to specific submission points, or
