DECISION OF DUNEDIN DISTRICT LICENSING COMMITTEE

In accordance with section 191(2) of the Sale and Supply of Alcohol Act 2012 this application has been considered under delegated authority.

DECISION

This is an application by Audiology Touring Limited for a special licence for an area situated at 190 Union Street, Dunedin, and known as “Logan Park”.

The Applicant has requested a special licence for the Southern Sounds 2026 concert to be held on Saturday 19 September 2026 between 2:00 pm and 10:30 pm. They have requested the premises be designated a restricted area for the duration.

The reporting agencies (Police, Medical Officer of Health, and Licensing Inspector) have not raised any matters of concern.

The application was accompanied by a comprehensive Alcohol Management Plan and has met with the reporting agencies. It was noted that the Applicant will be limiting the number of drinks sold to a maximum of two per patron. This will be added as a condition on the licence.

The Applicant is aware of the likelihood of pre-loading by attendees and the use of other drugs. The agencies have reminded them that they need to be very aware of intoxication levels, and to have procedures in place to deal with intoxicated people.

The Parks and Reserves Department of the Council have asked that the Applicant is advised not to serve alcohol in glass because of the potential for injury and for their security to ensure people leaving the licensed area do not remove glass containers or cans so they are not discarded in the surrounding areas.

There will be an alcohol ban in place on the day of the event so it is anticipated there will be alcohol containers discarded on the way to the event.

We are satisfied as to the matters to which we must have regard as set out in s.142 of the Act and we grant the special licence. A copy of the special licence setting out the conditions to which it is subject is attached to this decision.
