Firstly, our apologies for our delay in responding to your request on wastewater network GIS data.

We advise the information you seek is available on the DCC website [Water Services Map](#).

We trust that this now closes your information request.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](#).

Subject: RE: LGOMA request: wastewater network GIS data

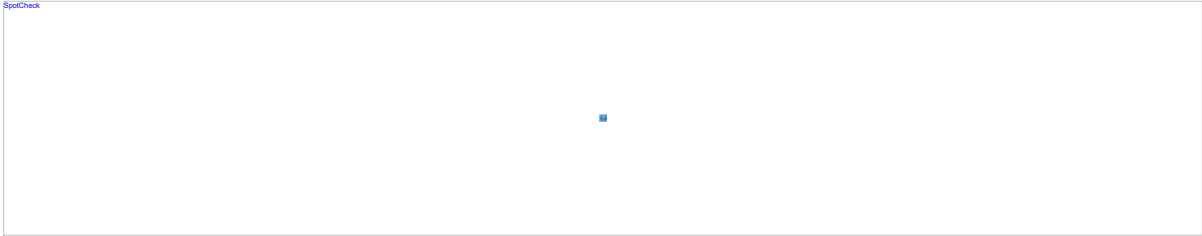

Hello,

I wanted to check in on the LGOMA request below, sent on 18 August. Customer Services kindly passed it to your Governance Team the same day, but I haven't heard anything since, so I thought it worth making sure it didn't go astray in the handover.

If it helps, the smaller version is all we really need: the boundary of the area served by the reticulated wastewater network, rather than the pipes themselves. And if the answer is that it isn't held, or it is already published somewhere, a quick note to say so would be just as useful.

Many thanks,
