- Egg Producers Federation of New Zealand appeals against decisions of the Dunedin City Council on the following:
 - (a) Submission OS702
- 2. I made a submission and further submission regarding the Proposed District Plan: OS702 and FS2437
- 3. The appellant is not a trade competitor for the purposes of section 308D of the Resource Management Act 1991.
- I received notice of the decision on 7 November 2018.
- 5. The decision was made by Dunedin City Council.
- 6. The decision I am appealing is:
 - (a) Rural zones decision 3.4.9.2: to reject:
 - (i) Adding a new definition of Free Range Poultry Farming.
 - (ii) Adding Free Range Poultry Farming as a permitted activity under rule 6.3.3.
 - (iii) Adding Intensive Farming (poultry farming) to rule 6.3.3 as a permitted activity subject to performance standards.
- 7. The reasons for my appeal are:
 - (a) Egg production is an important element of farming in the Rural zones in Dunedin.
 - (b) Egg production is most appropriately located in the Rural zones.
 - (c) The Rural zone provisions do not make adequate provision for intensive farming (poultry) activities.

- (d) The Rural Zones policy framework inappropriately prioritises residential amenity over Rural Activities.
- (e) The effects of Intensive farming (poultry) can be adequately managed through a permitted activity regime subject to a performance standard requiring 250m separation from existing residential activities.
- (f) The potential adverse effects of Free Range Poultry Farming are no different to any other livestock farming activity. Free Range Poultry Farming should be a subset of Farming Activities, and excluded from Intensive Farming. Free Range Poultry Farming should be a permitted activity.
- 8. I seek the following relief:
 - (a) In the Rural Zone:
 - (i) Insert Intensive farming in policy 16.2.1.1.
 - (ii) Delete Intensive Farming from policy 16.2.2.5.
 - (iii) Add a definition of Fee Range Poultry Farming:
 - "Poultry farming where birds are housed in buildings that enable them to have free access to the outdoors."
 - (iv) Add Free Range Poultry Farming as a permitted activity under rule 6.3.3.
 - (v) Exclude Free Range Poultry Farming from the definition of Intensive Farming.
 - (vi) Add Intensive Farming (poultry) as a permitted activity under rule 6.3.3 but subject to a performance standard requiring a 250m setback from the nearest existing residential activity.
- 9. I attach the following documents to this notice:
 - (a) A copy of my original submission.

- (b) A copy of relevant decisions; and
- (c) A list of names and addresses of persons to be served with a copy of this notice.
