

Form 33
Notice of person's wish to be party to proceedings

Section 274, Resource Management Act 1991

To the Registrar
Environment Court
Christchurch

We, David John Stewart and Maria (Trudi) Geertruida Stewart-Haverkort, wish to be a party to the following proceedings:

An appeal against the Dunedin City Council related to decisions made by the Council in its 2GP District Plan by Craig Horne and four others

We are:

- *persons who have an interest in the proceedings that is greater than the interest that the general public has in that our property adjoins the land which is the subject of the appeal, and*
- *we are persons who made a submission about the subject matter of the proceedings*

We are not a trade competitor for the purposes of [section 308C](#) or [308CA](#) of the Resource Management Act 1991.

We are directly affected by an effect of the subject of the appeal that—

- (a) adversely affects the environment; and
- (b) does not relate to trade competition or the effects of trade competition.

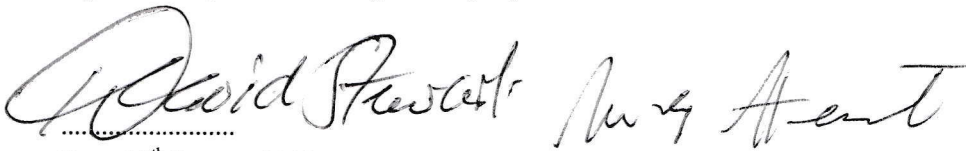

We are interested in all of the proceedings and in particular the following issues:

- all of the points (a) to (v) made by the Apellants
- all of the points made by the Apellants simply express their opinions and are not supported by evidence or fact.
- The Apellants' opinions as stated in (a) to (v) are motivated by their desire to profit by selling the land they own and are not supported by the expert and experienced evidence and knowledge that has been lead to the decisions made by the Dunedin City Council

We oppose the relief sought because none of the points made by the Apellants are justified and none of the forms of relief sought are justified.

We agree to participate in mediation or other alternative dispute resolution of the proceedings.
