Submission

Submissions on Variation 2 can only be made on the provisions or mapping which are proposed to change, or alternatives that are clearly within the scope of the 'purpose of the proposals', as stated in the Section 32 report. Submissions on other aspects of the 2GP are not allowed as part of this process.

You must indicate which parts of the variation your submission relates to. You can do this by either:

- making a submission on the Variation Change ID (in which case we will treat your submission as applying to all changes related to that change topic or alternatives within the scope of the purpose of that proposal); or
- on specific provisions that are being amended.

The specific aspects of Variation 2 that my submission relates to are:

Variation 2 change ID (please see accompanying Variation 2 – Summary of Changes document or find the list on www.dunedin.govt.nz/2GP-variation-2)

All aspects of Variation 2 that relate to the land at 231, 233 and 235 Signal Hill Road.

For example: Rule 15.5.2 Density or zoning of 123 street name.

My submission seeks the following decision from the Council: (Please give precise details, such as what you would like us to retain or remove, or suggest amended wording.)

- ☐ Accept the change
- ☐ Accept the change with amendments outlined below
- ☐ Reject the change
- ☐ If the change is not rejected, amend as outlined below

1. Consider rezoning the land at 231 Signal Hill Road to a residential zone format (possibly one of the Large Lot Residential zones), and
2. Proceed with the proposed rezoning of the land at 233 Signal Hill Road (I support this rezoning), and
3. Reconsider rezoning the land at 235 Signal Hill Road to a residential zone format (possibly one of the Large Lot Residential zones).

Reasons for my views (you may attach supporting documents):

If you wish to make multiple submissions, you can use the submission table on page 3 or attach additional pages.

I believe that the residential capacity interests of the City can be well served by the changes described above.
