Trade competition

Please note: If you are a person who could gain an advantage in trade competition through your submission, your right to make a submission may be limited by clause 6(4), Schedule 1 of the Resource Management Act.

I could gain an advantage in trade competition through this submission: Yes No

If you answered yes, you could gain an advantage in trade competition through this submission, please select an answer:

Yes No My submission relates to an effect that I am directly affected by and that:

- a. adversely affects the environment; and
- b. does not relate to trade competition or the effects of trade competition.

Submission

Submissions on Plan Change 1 can only be made on the provisions or mapping which are proposed to change, or alternatives that are clearly within the 'purpose of proposal and scope of change' statements for the related Change ID given in the Section 32 report and in the summary of changes document. Submissions on other aspects of the 2GP may not be considered by the hearing panel.

You must indicate which parts of the plan change your submission relates to. You can do this by identifying the relevant Change ID and either making a submission on:

- all changes related to that Change ID or alternatives within the associated 'purpose of proposal and scope of change'; or
- specific provisions that are being amended as part of that Change ID.

The specific aspects of Plan Change 1 that my submission relates to are:

Change ID (please see accompanying Plan Change 1 – Summary of Changes document, Section 32 Report, or find the list on www.dunedin.govt.nz/2gp-plan-change-1)

Protection of the entire external building envelope

For example: Res13

Provision name and number, or address and map layer name (where submitting on a specific proposed amendment):

217 Musselburgh Rise. (Appendix A1.1)

For example: Rule 9.5.4.4, or the stormwater open watercourse mapped area at 123 Street

My submission seeks the following decision from the Council: (Please give precise details, such as what you would like us to retain or remove, or suggest amended wording)

Accept the change

Accept the change with amendments outlined below

Reject the change

If the change is not rejected, amend as outlined below

The entire back profile of the house has been extended over the years and should it be included in the proposed protection of the entire external building envelope, as stated in your letter. Also the upstairs has been extended and altered and can't be considered as the original 'external envelope'. The front porch as you stated has also been altered and built in. A large portion of the house is no longer original so can't be considered as historical.

Reasons for my views (you may attach supporting documents):

If you wish to make multiple submissions, you can use the submission table on page 3 or attach additional pages.

I think the council has allowed a lot of alterations to the property over the years, both inside and out. I don't consider a heritage listing on this property as reasonable, restricting alterations when so many have already been allowed imposing financial hardship on myself and potential buyers when I sell because I can't afford the excesses to insurance.

Hearings

Do you wish to speak in support of your submission at a hearing: Yes No

If others make a similar submission, would you consider presenting a joint case at a hearing: Yes No
