Information Supplied in a LIM

- Any special features or natural hazards of the land, including potential erosion, avulsion, falling debris, subsidence, slippage, alluvion, inundation, or the likely presence of hazardous substances that are known to the Dunedin City Council and are not apparent from the district schemes.

- Information on private and public stormwater and sewerage drains as shown in DCC records.

- Information relating to any rates owing in relation to the land.

- Information concerning any consent, certificate, notice, order, or requisition affecting the land or any building on the land previously issued by Council.

- Information concerning any certificate issued by a building certifier pursuant to the Building Act 1991.

- Information relating to the use to which that land may be put and conditions attached to that use.

- Information which, in terms of any other Act, has been notified to the territorial authority by any statutory organisation having the power to classify land or buildings for any purpose.

- Any information which has been notified to the territorial authority by any network utility operator pursuant to the Building Act 1991.

- Any other information that the Council deems to be relevant.

Notes

- Processing time is three or five complete working days from receipt of application. Working days are suspended over the Christmas/New Year break.

Privacy Information

Under the Privacy Act 1993, you have the right to see and correct personal information the Dunedin City Council holds about you.
