My submission seeks the following decision from the Council

Multiple submission points/decisions outlined below

Details

1. Consider rezoning the land at 231 Signal Hill Road to a residential format (possibly one of the Large Lot Residential zones), and 2. Proceed with the proposed rezoning of the land at 233 Signal Hill Road (I support this rezoning), and 3. Reconsider rezoning the land at 235 Signal Hill to a residential zone format (possibly one of the Large Lot Residential zones)

Reasons for my views

I believe that the residential needs of the City can be well served by the changes described above
