**Subject:** Chadwick Street Fairfield - Consultation on proposed no stopping lines

Kia ora,

The Dunedin City Council is proposing to install two sections of no stopping lines in Chadwick Street, Fairfield.

We are proposing to install approximately 6m of no stopping lines by the entrance to 15 Chadwick Street and approximately 16m of no stopping lines by the entrance to 377 Main South Road. The change aims to improve access and allow sufficient for vehicles to turn safely into nearby properties.

Attached you will find a letter containing this information as well as a diagram of the proposed changes.

We would like to hear from surrounding businesses, residents, and organisations about this proposal.

If you would like to provide feedback, please email us at [transport.regulation@dcc.govt.nz](mailto:transport.regulation@dcc.govt.nz) by midnight Wednesday 14 August 2024.

Kind regards,

Regulation Management Team  
Transport Department
