

DCC 9 Year Plan Submission - Ann Barsby

12 Royal Terrace, Dunedin 9016

Dunedin – NZ Heritage Capital City:

Important that Council continues to progress heritage strategies

Heritage: an asset & a tourism drawcard, therefore an important economic benefit

- **Otepoti Dunedin Heritage Festival** (annual heritage month October) DCC recognition as important major festival, more collaboration, staff support & financial assistance

Heritage Action Plan: Total support for ongoing development & funding

Increase resources – additional position in heritage team

Heritage character – Retain & enhance through policy & funding support District Plan listings

stronger safeguards – eg urban design, education

- **Demolition** - Public notification of pre 1940s buildings
- Strengthen protection measures ie streetscape /green space environment /building code consent
- **Sustainability** – embodied carbon, cheapest building is the one standing /adaptive reuse & training using the old skills & original materials
- city museums, funding support especially Toitu Otago Settlers, Gasworks & smaller museums

Heritage tourism product development - assistance & funding – stories /ie Cultural heritage /South Dunedin Industrial heritage

Integration /collaboration – across departments to assist cohesion across sectors – organisations, events, activities

Increase heritage awareness – through multimedia publicity, promotion, talks, workshops etc

Holistic approach to foster partnerships / collaboration

I wish to speak at the hearings
