PART I - INTRODUCTION

PHILOSOPHY

1  The statutory function of Council is one of good governance of the City, through the considered use of committees and the appointment of skilled managers.

2  Delegation assists in the better achievement of the respective functions of elected representatives and officers. The effectiveness of delegation must be monitored and the system amended where necessary. This is a key role of elected members.

3  Elected members as individuals have no statutory authority. Their role is therefore closely linked to meetings of the Council and its committees with their fundamental decision making and planning role allowing issues to be raised, debated and resolved.

4  The Council has adopted this Manual to define the respective roles within the decision making process, i.e. the delegations to the Committees and Subcommittees of Council and the Chief Executive.

5  The delegations and terms of reference to Committees and Subcommittees implements the basic principle that elected members make policy and officers implement it.

6  The task of putting the Council's policies to work is then the responsibility of the Chief Executive acting through managers. The Council and committees then monitor progress towards any objective. They do this by seeing that key milestones are met. If those milestones are not being achieved then elected members must review and, if necessary, revise those objectives and strategies.

7  Elected members also have the important role of linking with the wider community to gain an appreciation of community and individual needs and the way that these could be achieved.

8  With all these functions in mind the Council has adopted a philosophy of delegation to the lowest appropriate level. This will achieve the best use of the abilities of councillors and officers, minimise costs, develop effective managers and minimise bureaucratic interference in the lives of the residents of Dunedin.

AUTHORITY TO DELEGATE

9  The Council's authority to delegate to Committees derives from Schedule 7, Clause 32 of the Local Government Act 2002 as amended by the Local Government Amendment Act 2004 which provides:

"32 Delegations

(1) Unless expressly provided otherwise in this Act, or in any Act, for the purposes of efficiency and effectiveness in the conduct of a local authority's business, a local authority may delegate to a committee or other subordinate decision-making body, community board, or member or officer of the local authority any of its responsibilities, duties, or powers except –

(a) the power to make a rate; or

(b) the power to make a bylaw; or

(c) the power to borrow money, or purchase or dispose of assets, other than in accordance with the long-term council community plan; or

(d) the power to adopt a long-term council community plan, annual plan, or annual report; or
(e) the power to appoint a Chief Executive; or

(f) the power to adopt policies required to be adopted and consulted on under this Act in association with the long-term council community plan or developed for the purpose of the local governance statement; or

(2) Nothing in this clause restricts the power of a local authority to delegate to a committee or other subordinate decision-making body, community board, or member or officer of the local authority the power to do anything precedent to the exercise by the local authority (after consultation with the committee or body or person) of any power or duty specified in subclause (1).

(3) A committee or other subordinate decision-making body, community board, or member or officer of the local authority may delegate any of its responsibilities, duties, or powers to a subcommittee or person, subject to any conditions, limitations, or prohibitions imposed by the local authority or by the committee or body or person that makes the delegation.

(4) A committee, subcommittee, other subordinate decision-making body, community board, or member or officer of the local authority to which or to whom any responsibilities, powers, or duties are delegated may, without confirmation by the local authority or committee or body or person that made the delegations, exercise or perform them in the like manner and with the same effect as the local authority could itself have exercise or performed them.

(5) A local authority may delegate to any other local authority, organisation, or person the enforcement, inspection, licensing, and administration related to bylaws and other regulatory matters.

(6) A territorial authority must consider whether or not to delegate to a community board if the delegation would enable the community board to best achieve its role.

(7) To avoid doubt, no delegation relieves the local authority, member, or office of the liability or legal responsibility to perform or ensure performance of any function or duty.

(8) The delegation powers in this clause are in addition to any power of delegation a local authority has under any other enactment.

“(14) Schedule 7 of the principal Act is amended by inserting, after clause 32, the following clauses:

32A **Delegation of power to issue warrants to enforcement officers**

(1) A local authority may delegate to a committee or member of officer of the local authority the power to issue warrants to enforcement officers.

(2) A delegation under subclause (1) may –

   (a) limit or restrict the exercise of the power; or

   (b) impose conditions on the exercise of the power; or

   (c) prohibit, in specified circumstances, the exercise of the power.

(3) The local authority must determine the matters in subclause (2) before acting under subclause (1).

(4) Clause 32(2) to (8), with all necessary modifications, applies to a delegation made under this clause.

Other Acts do provide special additional rules regarding delegation, e.g. the Resource Management Act 1991.
OPERATIVE DATE

11 This Manual comes into effect on 12 December 2016 and will continue in force until revoked by the Council.

12 All earlier policies which conflict with or duplicate any provision in this Manual are revoked as at 12 December 2016.

AMBIGUITY AND CONFLICT

13 In the event of ambiguity or conflict between the provisions of the delegations to Committees and Subcommittees resulting in uncertainty or dispute as to which committee has delegated authority to act in respect of a particular matter, the Chief Executive will prepare a written report and submit it to the Mayor (or the Deputy Mayor in the absence of the Mayor) for consideration and determination. The decision of the Mayor (or Deputy Mayor) will be final and binding.

14 If neither the Mayor nor the Deputy Mayor is available, the decision of the Chief Executive will be final and binding.
PART II - GENERAL MATTERS OF DELEGATION

THE MEANING OF DELEGATION
15 Delegation in this Manual means the assignment of a power, function or duty to another together with the authority to carry out that duty or complete the action assigned with responsibility for the outcome.

APPOINTMENT OF STANDING COMMITTEES
16 The Mayor has the power to establish the Committees and Subcommittees of the Council.

MEMBERSHIP OF COMMITTEES AND SUBCOMMITTEES
17 The Mayor is an ex officio member of all committees and subcommittees. An ex officio member of a committee is a member because of the office held. Ex officio members are not included in calculating the quorum but are counted toward the quorum when present. This reflects the expectation that ex officio members will not always be able to attend all meetings of committees and subcommittees but have full voting rights when present.

ROLE OF STANDING COMMITTEES
18 All Standing Committees identify and monitor outcomes, visions and performance measures (indicators) for the Council's Long Term Plan (LTP).
19 All Standing Committees shall have a policy development role within their area of responsibility and authority.
20 All Standing Committees shall be responsible for monitoring performance (including budget and performance targets and indicators in the LTP) for their area of responsibility and authority.
21 The responsibilities of Standing Committees are set out in their Terms of Reference (Delegations).
22 All Standing Committees shall be responsible for legislation and policy responses relevant to their area of responsibility and authority.

ROLE OF SUBCOMMITTEES
23 Subcommittees will have only the powers, functions and duties specifically given to them by the Council or standing committee to which they report.

ROLE OF COUNCILLOR ADVISORY PANELS
24 Councillor Advisory Panels have no power to act or decide. Councillor Advisory Panels have an investigative, advisory and fact-finding role within the terms of reference determined by the Council, Standing Committee or Subcommittee, establishing the Councillor Advisory Panel. Councillor Advisory Panels will have the power to make recommendations only to the extent allowed under the Councillor Advisory Panel's terms of reference, and on matters, which are within the scope of the terms of reference defined by the committee establishing the Councillor Advisory Panel.
25 Members may be appointed to Councillor Advisory Panels by position or by name.
26 Unless expressly specified otherwise, a Councillor Advisory Panel will be terminated if it has not met for six months or more.
Councillor Advisory Panels are not authorised to hear submissions.

Councillor Advisory Panels must report their findings and recommendations back to the Council or the standing committee or subcommittee which formed them through the Chief Executive, General Manager or relevant Group Manager(s).

The resolution establishing the Councillor Advisory Panel shall clearly define:

a) Its terms of reference including its purpose, and the scope of its investigative, advisory and fact finding roles

b) Membership: noting that the membership will usually comprise elected members, however there may be occasions where it is appropriate to include people from outside agencies.

c) The Chairperson of the Councillor Advisory Panel.

d) All Councillor Advisory Panels must be established using the Councillor Advisory Panel template attached to this Manual.

TERM OF DELEGATION

Unless any delegation is stated to be for a defined term, it will continue until revoked by the delegator or the Council or is withdrawn by operation of law.

DELEGATION TO OFFICE

Unless stated otherwise every delegation is to a committee or office and will be unaffected by changes in the membership of a committee or the holder of an office.

REPORTING AND FINDINGS

Every committee and subcommittee will report decisions taken under delegated authority in the manner required by Standing Orders, i.e. in minutes submitted to the next available meeting of the Council or the committee to which a subcommittee reports, as the case may be. Councillor Advisory Panel shall report back to Council (or the Committee that authorised their formation) on their investigations.

DELEGATION

A Committee, subordinate decision-making body, or Community Board may delegate powers or functions as specified in Schedule 7, Clause 32(3) of the Local Government Act 2002. Subcommittees may not delegate powers and functions granted to them. They may establish Councillor Advisory Panels to advise them.

Delegations to officers will be made to the Chief Executive who may delegate a power, function or duty to another officer or subcommittee of officers. As well as the discretionary delegations made under this Manual there are provisions in various Acts applying to the Council which provide for powers, duties and functions to be exercised directly by specified staff.

Officers (other than the Chief Executive) may not delegate powers and functions given to them.

DELEGATIONS TO BE IN WRITING AND RECORDED

Every delegation made by a Committee, subordinate decision-making body, or Community Board will be in writing and clearly define the nature, purpose and limitation of the power, function or duty delegated.
Every delegation made by the Chief Executive will be recorded in a register kept for that purpose. This register is known as the Staff Delegations and General Procedures Manual.

**CALL-UP PROCEDURE BEFORE DECISION MADE**

Nothing in this Manual will limit the power of a delegator to cancel a delegation and resume that power prior to the delegatee having made a decision.

Except in exceptional circumstances a delegator should not act without consultation with the appropriate board Chairperson if the delegation involves a community board.

The Mayor may, on behalf of the Council, signal an intention to cancel any delegation made by the Council prior to the delegatee having made the decision. The delegatee will then take no further action on that matter until the Council has met to approve the cancellation and either:

a) Referred the matter back to the delegatee (with directions if any); or
b) Determined the matter.

Before signalling an intention to withdraw any delegation the Mayor shall consult with the Chairperson of the relevant committee or community board involved, if any, and the Chief Executive.

A delegatee may, rather than make a decision, refer a matter back to the delegator with a suitable recommendation. The delegator will then decide the matter.

**CALLING IN A MATTER FOR COUNCIL CONSIDERATION**

The Mayor may require any matter that would otherwise be reported to a committee or subcommittee, to be reported to the Council. If that matter is already on a published agenda for a committee or subcommittee meeting, that meeting will not consider that matter unless invited by the Mayor to make a recommendation to the Council.

**POLICY AND FACT**

In making a decision every delegatee will consider:

a) All policies established by the Council;
b) The facts relevant to a matter.

If the facts relevant to any matter do not support a decision consistent with a Council policy, the delegatee should submit the matter to the Council or relevant Committee, which has power to decide, with a suitable explanation and recommendation (this does not apply to decisions made under the Resource Management Act 1991).

**BUDGET CONTROLS**

Budgets are one of the key safeguards over delegation. As such the Council reserves to itself any decision relating to the variation of budgets except as provided for in the next clause.

The Chief Executive may vary any budget sum or sums where:

a) The cash requirement is not altered; and
b) The change is to allow for the more effective management of that activity in accordance with any Strategy or Annual Plan.
Any officer responsible for expenditure or revenue will arrange for any likelihood of future over-expenditure or under-expenditure to be reported to the relevant Group Manager or General Manager as soon as possible. That Group Manager or General Manager will either:

a) Take all necessary steps to control expenditure or restore revenue; or

b) Vary the relevant line item or activity schedule; or

c) Report the matter to the Chief Executive who will consider the matter and take the appropriate action to avoid over-expenditure.

**USE OF COUNCIL SEAL AND AUTHORITY TO SIGN**

The Chief Executive will be responsible for custody of the Council’s seal. The seal may be attached to all documents which record the disposal or exchange of an interest in land (with the exception of residential tenancies) or other document where it is appropriate to do so. It will be attached, however, only when:

a) the Council or a committee has authorised the transaction involved; or

b) the transaction involved has been authorised by an officer under delegated authority.

The seal will be affixed and accompanied by the signatures of the Mayor or any elected member of the Council.

Where a document need not be executed under seal of the Council it may instead be signed by the Chief Executive or any other officer who is authorised under delegated authority to approve the transaction involved.

The Chief Executive (or any other officer authorised by the Chief Executive) may sign any certificate relating to the existence of any state of affairs involving the Council.
