The total number of these parking infringement notices issued by the council that have been waived, between 2017 and 2023 broken down by year. I ask this information is broken down by reason, i.e. incorrectly issued fine, goodwill, appeal etc.

We are unable to provide a breakdown by “reason” for waivers as the information is not held specifically. We advised that consideration by Council for a waiver is based on the need to uphold the legislation weighed against the explanation provided. This part of the information required is therefore declined under s17(e) of the Local Government Official Information and Meetings Act 1987, that the document alleged to contain the information requested does not exist, or, despite reasonable efforts to locate it, cannot be found.

Infringement notices cancelled – incorrectly issued and Explanation (appeal) accepted.
