## STOPPING OF PART OF WHITE ROAD, WAITATI

Pursuant to section 342(1)(a) of the Local Government Act 1974, notice is hereby given that the DCC, being the Local Authority having control of roads in Dunedin, proposes to stop a part of White Road, Waitati, shown as Section 1 SO 455684.

### EXPLANATION

The above part of road is unformed and is not utilised for public access. It is superfluous to the DCC's legal and physical requirements for present or future road purposes. Section 1 has an area of 5960m<sup>2</sup>.

### PURPOSE

Section 1 will be sold to the owner of the adjoining property at 26 White Road and will be amalgamated with Record of Title 616942. A Right of Way easement shown as "B" on LT 617670 will be registered on the stopped road to maintain existing vehicle access to the neighbouring property at 20 White Road (Record of Title OT 94/237). It will assume the same land use zoning under the Dunedin City District Plan (2GP) as the adjoining property for use in accordance with the terms and provisions of this zone.

### FURTHER INFORMATION

SO 455684, being the plan of survey showing the part of road to be stopped, and LT 617670 being the easement plan, may be inspected at the DCC Customer Service Centre. Any objections to the proposal must be lodged no later than 4pm on Friday, 7 August.

Objections can be emailed to [road.stopping@dcc.govt.nz](mailto:road.stopping@dcc.govt.nz), posted to PO Box 5045, Dunedin 9054, or handed in at the DCC Customer Service Centre. Please mark objections for the attention of "Property Services – White Road Road Stopping".
