Submission

Submissions on Gordon Road Floodway consultation can only be made on the provisions or mapping which are under consultation, as stated in the Section 32 report. Submissions on other aspects of the 2GP are not allowed as part of this process.

You must indicate which parts of the consultation your submission relates to.

My submission seeks the following decision from the Council:

- ☐ Apply the Hazard 1A (Flood) Overlay Zone to the whole floodway
- ☐ Do not apply the Hazard 1A (Flood) Overlay Zone to the whole floodway
- ☐ Apply the Hazard 1A (Flood) Overlay Zone to part of the floodway. (Please give precise details, such as a description (please attach a map if possible) of the preferred extent of the proposed Hazard 1A (Flood) Overlay Zone.)

We wish to lodge our submission to 'not apply' the Hazard 1A(flood) Overlay Zone to the whole Gordon Road Floodway. We have also supported and signed the collective group submission lodged and our submission includes all matters concerned in both submissions.

Reasons for my views (you may attach supporting documents):
