City/town:

WYLLIES CROSSING

Postcode:

9092

Email address:

Submission

Submissions on Gordon Road Floodway consultation can only be made on the provisions or mapping which are under consultation, as stated in the Section 32 report. Submissions on other aspects of the 2GP are not allowed as part of this process.

You must indicate which parts of the consultation your submission relates to.

My submission seeks the following decision from the Council:

- ☐ Apply the Hazard 1A (Flood) Overlay Zone to the whole floodway
- ☒ Do not apply the Hazard 1A (Flood) Overlay Zone to the whole floodway
- ☐ Apply the Hazard 1A (Flood) Overlay Zone to part of the floodway. (Please give precise details, such as a description (please attach a map if possible) of the preferred extent of the proposed Hazard 1A (Flood) Overlay Zone.)

I appose HAZARD 1A Flood Overlay To the whole Floodway.

I have lived for 76 years on the (Supposed) Floodway, In three different homes and never had any water in any of the houses.

Reasons for my views (you may attach supporting documents):

You can attach additional pages as needed.

Questions

- 1 Riccarton RD Cutvert (To small)
- 2 Bank on Riccarton Rd need to be taken down to Road Height, to help water flow.
- 3 Some houses not on the Floodway have more water in them
