## Submission

Submissions on Gordon Road Floodway consultation can only be made on the provisions or mapping which are under consultation, as stated in the Section 32 report. Submissions on other aspects of the 2GP are not allowed as part of this process.

You must indicate which parts of the consultation your submission relates to.

TOTAL OPPOSITION TO THE WHOLE PROCESS OF  
PUTTING A HAZARD OVER THE WHOLE AREA

**My submission seeks the following decision from the Council:**

- Apply the Hazard 1A (Flood) Overlay Zone to the whole floodway
- ☒ Do not apply the Hazard 1A (Flood) Overlay Zone to the whole floodway

Apply the Hazard 1A (Flood) Overlay Zone to part of the floodway. (Please give precise details, such as a description (please attach a map if possible) of the preferred extent of the proposed Hazard 1A (Flood) Overlay Zone.)

One has to ask why it is necessary to apply the 1A HAZARD to this area at all.

There are plenty of laws + by-laws to cover any situation arising in this area.

I see this as an attempt by the bureaucrats to further restrict the policies of the Dunedin City Council for no practical reasons.

**Reasons for my views (you may attach supporting documents):**

You can attach additional pages as needed.

I see this as taking away from people's dignity and belittling their opinion. As I have said there are more than enough laws and by-laws to cover any situation.

1A is going to far and treating people like they are stupid and not capable of making reasonable decisions within the existing lawsets.

Please stop treating people like idiots and give them the dignity they deserve

Please note I have also supported and signed the collective submission lodged by "Gordon Road Spillway Residents Group" and our submission includes all matters covered in both submissions.
