Dear Sandy

Approval of Dunedin City Council's request for an extension of time under clause 10A, Schedule 1 of the Resource Management Act 1991

On 26 January 2023, Dunedin City Council lodged an application for an extension of time (under clause 10A Schedule 1 of the Resource Management Act 1991) until 10 February 2023 to issue its final decision report on Variation 2 to the Proposed Second Generation Dunedin City District Plan (2GP).

I agree to this extension of time under clause 10A(4)(a) of Schedule 1 of the Resource Management Act 1991 (RMA). Decisions on Variation 2 to the 2GP must be made on or before 10 February 2023. The reasons for my decision are:

- a. Dunedin City Council has met the statutory requirements for making an application under clause 10A of Schedule 1 of the RMA.
- b. Dunedin City Council has advised that an extension of time until 10 February 2023 is needed to issue its decision on Variation 2 to the 2GP.
- c. Granting an extension of time until 10 February 2023 for Dunedin City Council to complete and issue its decision on Variation 2 will provide procedural certainty.

In accordance with clause 10A(6) of Schedule 1 of the RMA, you are now required to publicly notify this extension.

I wish you well for the remainder of your plan-making process.

Yours sincerely

Hon David Parker

Minister for the Environment
