The specific parts of the notice of requirement that this submission relates to are:

Ward St bridge ramp

Operation of Traffic Lights

My submission is:

Would like to see ramp open + lights operational.  
WE have an average of 35 vehicle movements  
daily over the bridge. Opening the ramp would  
be more efficient and not to mention safety.  
We also received inwards stock from outside  
freighters that this would also help.

I seek the following recommendation or decision from the Dunedin City Council:

To open ward st ramp + Traffic lights to  
operate.
