

Form 33

Notice of person's wish to be party to proceedings

Section 274, Resource Management Act 1991

To the Registrar
Environment Court
Christchurch

I, Anthony Haereroa Parata, wish to be a party to the following proceedings:

The appeal of the LPG association of New Zealand Limited against the decision of The Dunedin City Council on Proposed Plan Change 13

I am a person who made a submission in the previous proceedings on the same matter.

I am interested in all (or part of) the proceedings.

I am interested in the following particular issues:

That it is unnecessary to duplicate HSNO controls in the District Plan and the proposed controls do not meet the requirements of sec142 of the Hazardous Substances and New Organisms Act in that they are neither more stringent than the requirements of the HSNO Act, nor are they necessary for the purposes of the Resource Management Act

I support the relief sought because in its proposed minimum thresholds rule the Dunedin City Council has gone beyond its powers under both the Hazardous Substances and New Organisms Act and the Resource Management Act.

I agree to participate in mediation or other alternative dispute resolution of the proceedings.

A handwritten signature in black ink, appearing to read 'A. H. Parata'.
