

## **Residential**

### **Objective 8.2.1**

Ensure that the adverse effects of activities on amenity values and the character of residential areas are avoided, remedied or mitigated.

### **Objective 8.2.4**

Ensure that the existing urban service infrastructure servicing residential areas is sustained for the use of future generations.

### **Objective 8.2.5**

Recognise and conserve townscape precincts, historic buildings and historic sites in residential areas.

### **Objective 8.2.7**

Recognise that some community support activities contribute to the maintenance and enhancement of residential character and amenity.

## **Townscape**

### **Objective 13.2.1**

Ensure that the important values and characteristics of the natural features and areas which provide the setting for the urban areas are protected.

### **Objective 13.2.2**

Ensure that the relationship between open space and buildings in the Central City precincts is protected and strengthened.

### **Objective 13.2.3**

Ensure that buildings and parts of buildings, places and sites which are of heritage values are recognised and protected.

## **Trees**

### **Objective 15.2.1**

Maintain and enhance the amenity and environmental quality of the City by encouraging the conservation and planting of trees.

### **Objective 15.2.2**

Protect Dunedin's most significant trees.

## **Indigenous Vegetation and Fauna**

### **Objective 16.2.1**

Enhance the indigenous biodiversity, ecosystem integrity, natural character and amenity values of the City through the retention of remaining areas of indigenous vegetation and habitats of indigenous fauna.

Objective 16.2.2

Recognise and provide for the protection of areas of significant indigenous vegetation and significant habitats of indigenous fauna in the City and its coastal margins.

## **Transportation**

Objective 20.2.1

Avoid, remedy, or mitigate adverse effects on the environment arising from the establishment, maintenance, improvement and use of the transportation network.

Objective 20.2.2

Ensure that land use activities are undertaken in a manner which avoids, remedies or mitigates adverse effects on the transportation network.

Objective 20.2.4

Maintain and enhance a safe, efficient and effective transportation network.

## **Environmental Issues**

Objective 21.2.2

Ensure that noise associated with the development of resources and the carrying out of activities does not affect public health and amenity values.

Objective 21.2.4

Ensure the disposal of wastes is undertaken in a manner that avoids, remedies or mitigates adverse effects on the health and amenity of people and communities within the City, and on their environment.
