Plan Change 8: Stadium

Summary of Decisions Requested

GUIDE TO THE SUMMARY

The first stage of the process for Plan Change 8 provided an opportunity for anyone to make a submission. The period for making submissions closed on 25 July 2008. A summary of decisions requested by persons making submissions is contained in this document.

This is the second stage of the process for Plan Change 8 providing an opportunity for anyone to make a further submission. A further submission is a submission in support of, or opposition to, an original submission made. This stage is not another opportunity to make new submissions on the Plan Change itself, as a further submission can only relate to a submission that has already been made.

How the summary is organised

Submissions on Plan Change 8 have been summarised and arranged in three ways to facilitate further submissions. The submissions have been arranged by:

- List of Submitters – Submission Order
- List of Submitters – Alphabetical Order
- Decision Requested – Support
- Decision Requested – Oppose
- Decision Requested – Neutral or Unstated

Individual submissions have been provided with reference numbers such as PC-8-3 (or Plan Change 8-Submitter 3). Four late submissions were received and have "(Late)" beside their submission reference. The Hearings Panel will make a decision at the Hearing as to whether they are acceptable or not.

Please refer to the original submissions for full details. Copies of the original submissions are available for public inspection at:

- Planning Enquiries, First Floor, Civic Centre, 50 The Octagon, Dunedin
- Public Libraries at Dunedin, Mosgiel, Port Chalmers, Blueskin Bay (Waitati) and Waikouaiti
- Dunedin City Council Service Centres at Mosgiel and Port Chalmers

Faxed to: 474 3451 (if you fax your submission, please post or deliver a copy to one of the above addresses)
E-mailed to: planning@dcc.govt.nz

The further submission must be in Form 6 of the Resource Management (Forms, Fees and Procedure) Regulations 2003 or similar, and must state whether or not you wish to be heard on your submission. Submissions close on 26 September 2008. Copies of this form are available from the above locations, can be downloaded from www.dunedin.govt.nz or will be mailed to you if you phone 474 4000, or email pfreelan@dcc.govt.nz.

Submissions close on Friday 26 September 2008.

The process for public participation in the consideration of the proposed plan change under the Act is as follows:

- if a person making a submission asks to be heard in support of his or her submission, a hearing must be held; and
- the Council will give its decision on the proposed plan change (including its reasons for accepting or rejecting submissions); and
- any person who has made a submission has the right to appeal the decision on the proposed plan change to the Environment Court.

Please note that within five working days of making your further submission to Council, you must provide a copy of your submission to any original submitter(s) that you have opposed or supported.

For further information on the proposed plan change please telephone Paul Freeland on 477 4000.
