

25.3

Significant Trees

[Amended by Variation 11: 26/7/ 2003 and by Consent Order: 24/10/03 and 7/5/04]

Schedule 25.3 contains a list of trees that have been identified as being particularly worthy of protection from modification and removal because of their contribution to the maintenance or enhancement of amenity and the quality of the environment. Trees listed in Schedule 25.3 are subject to Rule 15.5.1 as contained in the Trees Section of the District Plan. The procedure for amending Schedule 25.3 is set out in Method 15.4.1 of the Trees Section of the District Plan.

| Tree No | Map No | Address                                          | Species                                                     | Common Name                      | Maori Name   | Legal Description                                |
