Dear Mayor Dave Cull and Dunedin City Councillors,

Re: Block Offer Consultation 2016

Attached you will find a colour copy of the government proposed 2016 Block Offer that directly effects Dunedin. You will also find 422 signatures of "concerned citizens who urge the city council to oppose deep sea drilling."

These signatures are in addition to the 378 submission that were sent using an online form with the text:

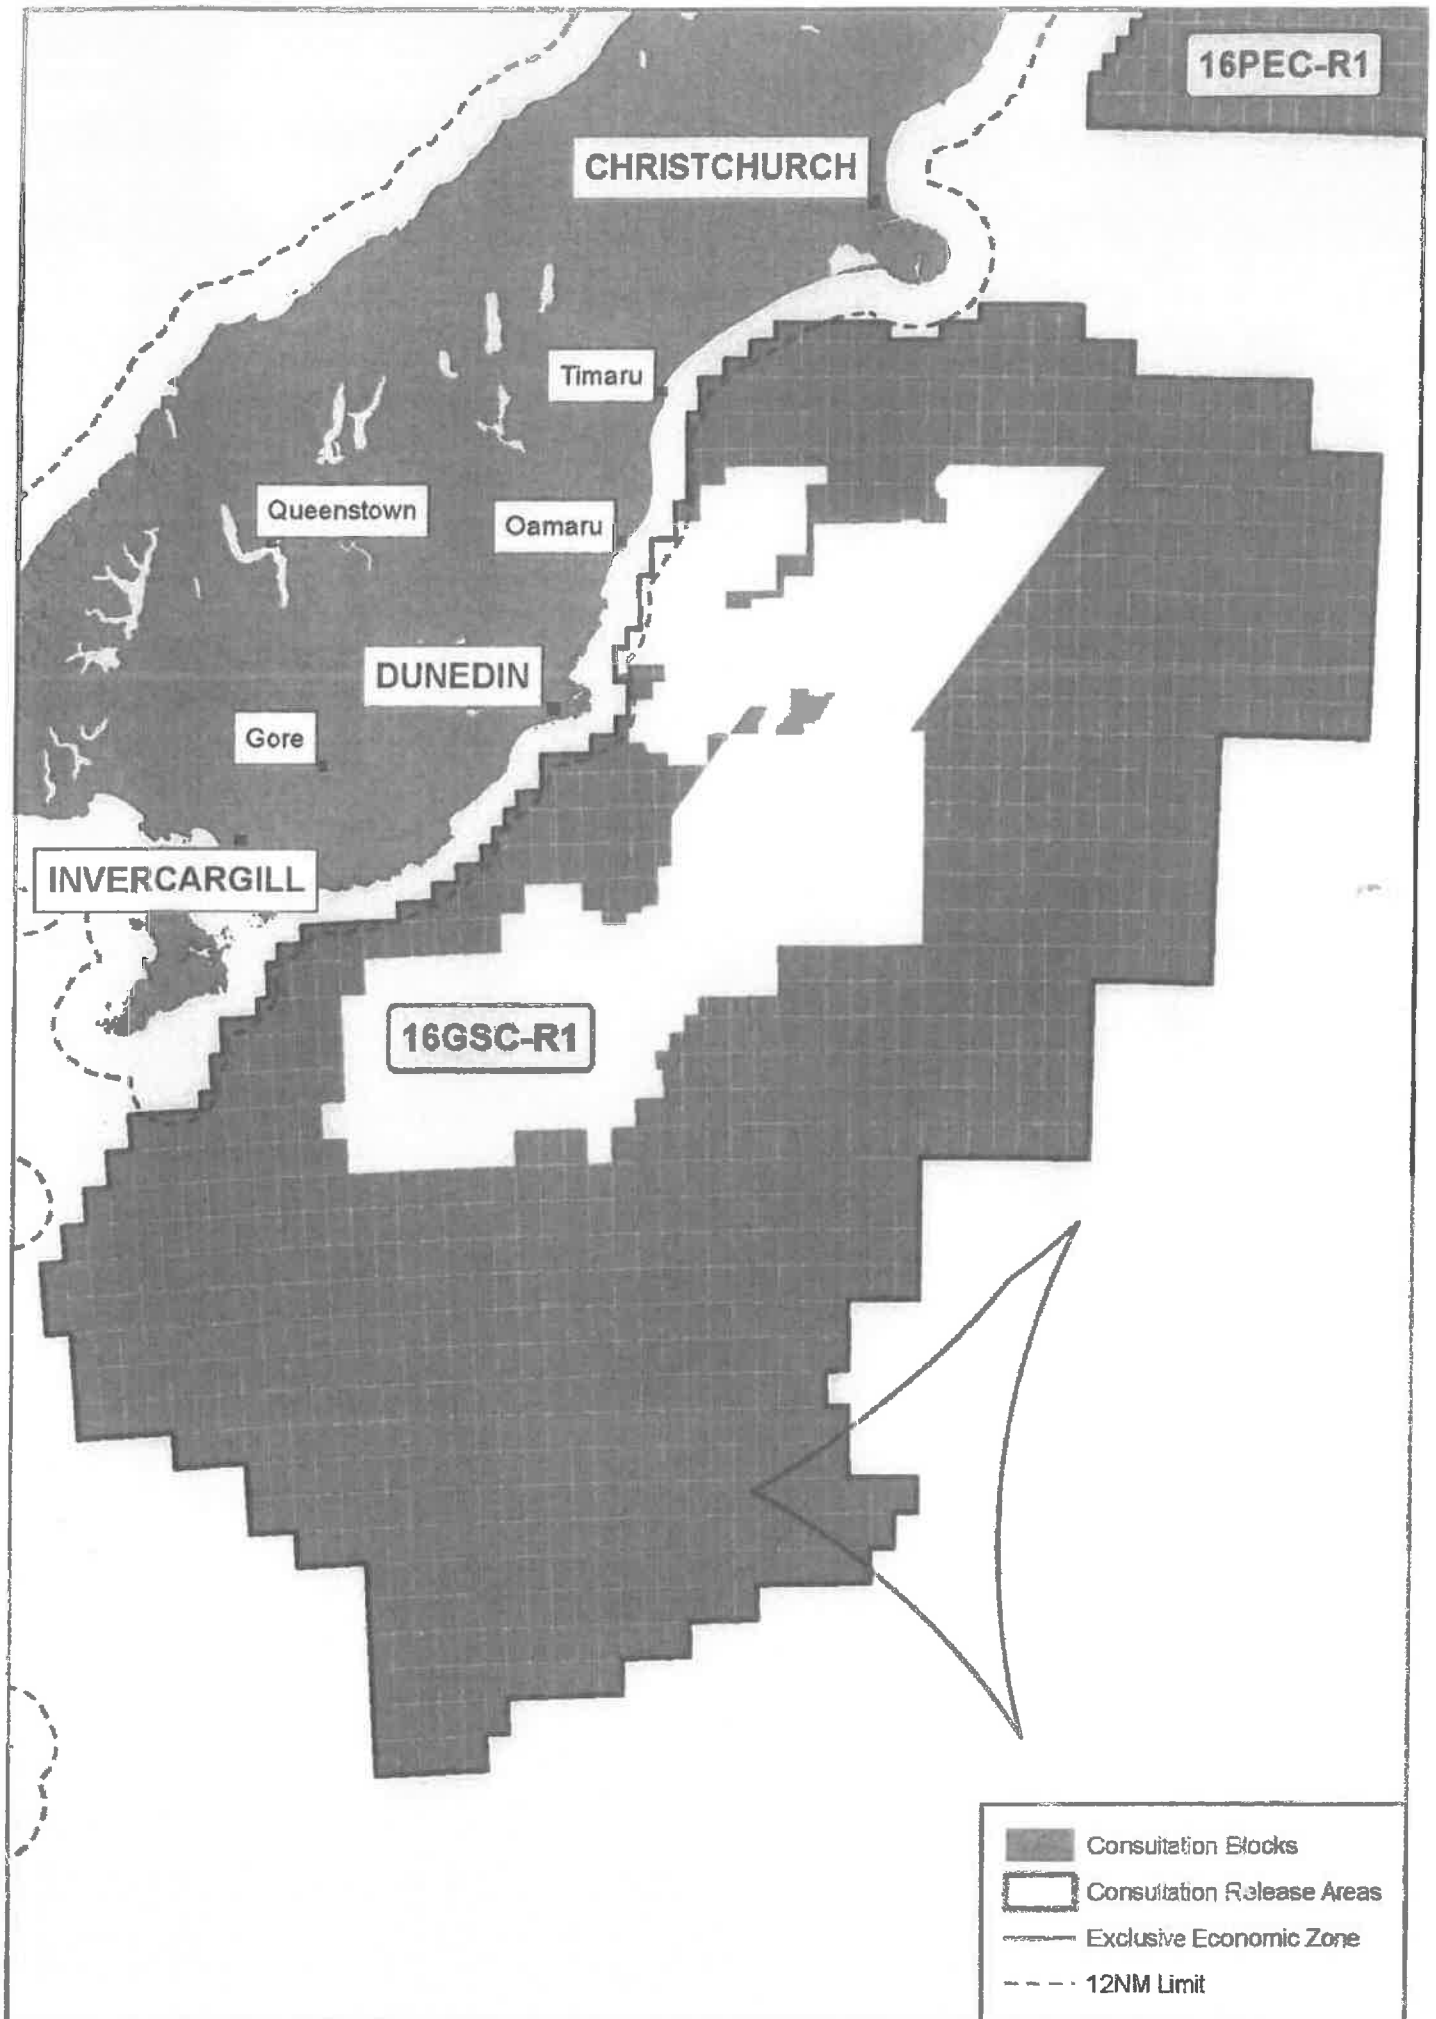

I strongly urge you, as the Dunedin City Council, to oppose deep sea drilling in your submission to New Zealand Petroleum and Minerals' Block Offer 2016. Deep sea drilling is not the future I want for Dunedin or New Zealand!

Kaikora and Christchurch City Councils have taken a stand to oppose deep sea drilling in their submission to government. In the name of the 800 combined signatures and submissions, we are asking that Dunedin City Council does the same.

Thank you for hearing us today!

Yours sincerely,

Annabeth Cohen, Rosemary Penwarden & Siana Fitzjohn on behalf of Oil Free Otago, the signatories and the 2016 Block Offer submitters
