Dear Hilary

Applications for Smooth Hill landfill

- 1 On behalf of Dunedin City Council we **enclose** for filing applications for resource consents for the proposed Smooth Hill landfill.
- 2 We attach an application form (Form 9 of the Resource Management (Forms, Fees and Procedure) Regulations 2003). A link to the Assessment of Environmental Effects (AEE) and the technical reports and drawings which form appendices to the AEE is provided in the email.
- 3 As set out in the AEE, the adverse effects of the proposed Smooth Hill landfill are either minor, or no more than minor. Accordingly DCC requests that the application be processed and proceed by way of limited notification.
- 4 The application fee of \$2,300 for multiple non-notified applications is being paid simultaneously by internet banking.

Yours faithfully
Anderson Lloyd
