

BEFORE THE ENVIRONMENT COURT
I MUA I TE KOOTI TAIAO O AOTEAROA

IN THE MATTER	of the Resource Management Act 1991
AND	of appeals under clause 14(1) of the First Schedule of the Act
BETWEEN	GRANT MAXWELL MOTION (ENV-2018-CHC-250) WILLIAM JOHN MORRISON (ENV-2018-CHC-257) THE PRESERVATION COALITION TRUST (ENV-2018-CHC-285) Appellants
AND	DUNEDIN CITY COUNCIL Respondent

MINUTE OF THE ENVIRONMENT COURT
(19 March 2020)

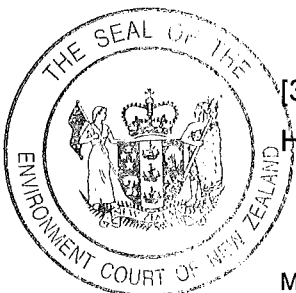

Introduction

[1] This Minute is issued for the purpose of case management in response to the memorandum of The Preservation Coalition Trust dated 10 March 2020.

[2] The Trust considers that the draft consent documentation filed in relation to the Motion and Morrison appeals potentially cuts across the relief it seeks in relation to DCC appeal point 93. The Trust requests that the consent documentation remains on file pending the resolution of the wider issues raised by its own appeal.

Consent documents to remain on file

[3] The court has indicated applications for consent orders are to remain on file. However, it occurs to me the consent orders may need to be revisited subject to the

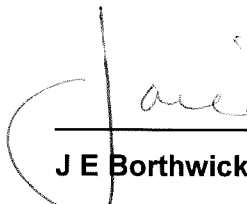

court's findings on the PCT appeal. I wonder whether the Motion and Morrison appeals should be transferred to Group 2 and linked with the relevant PCT appeal point?

Directions

[4] I direct DCC, having conferred with the other parties, is to report on DCC appeal point 93 in the Group 1 reporting memorandum due by Tuesday 31 March 2020.

[5] Leave is reserved for parties to seek further (or other) directions.
