

BEFORE THE ENVIRONMENT COURT
I MUA I TE KOOTI TAIAO O AOTEAROA

IN THE MATTER	of the Resource Management Act 1991
AND	an appeal under clause 14(1) of the First Schedule of the Act
BETWEEN	ROBERT FRANCIS WYBER (ENV-2018-CHC-281) Appellant
AND	DUNEDIN CITY COUNCIL Respondent

MINUTE OF THE ENVIRONMENT COURT
(28 January 2020)

Introduction

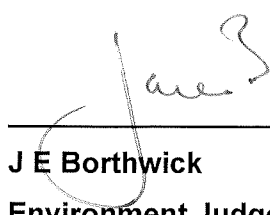

- [1] This Minute is released for the purpose of case management.
- [2] The appeal is currently on hold pending notification of Variation 2 to the proposed plan. It is anticipated Variation 2 will address relief sought in the appeal.
- [3] Counsel for the City Council and the appellant have filed a memorandum updating the court on the progress of the variation. In the circumstances, I would ordinarily direct the appeal remain on hold as requested.
- [4] However, given the potential overlap with an appeal filed by the Preservation Coalition Trust (ENV-2018-CHC-285), I will direct the appeal be taken off hold and that the parties file a reporting memorandum by 7 February 2020. At that time, the degree of overlap with the Preservation Coalition Trust appeal should be known and its interface with the prospective variation considered.

Directions

[5] Accordingly, I direct the City Council file a further reporting memorandum by **Friday 7 February 2020**.

[6] Leave is reserved for parties to seek further (or other) directions.

J E Borthwick
Environment Judge
