1. Federated Farmers is the appellant in the following proceedings:

Federated Farmers v Dunedin City Council ENV-2018-CHC-254

2. Federated Farmers has been in detailed discussion with the Respondent, and we are satisfied that proposed changes to the definition of reverse sensitivity adequately addresses our concerns in appeal point 197 on Objective 16.2.2 and Policy [16.2.2.1](#).
3. We have also reconsidered our appeal point 195 on Rule [16.6.10.1](#) and no longer wish to pursue this relief.
4. Federated Farmers therefore gives notice that it withdraws the following appeal points:
 - 4.1 Appeal point 195 in relation to Rule 16.6.10.1
 - 4.2 Appeal point 197 in relation to appeals on Objective 16.2.2 and Policy 16.2.2.1
5. Federated Farmers is not aware of any party having an issue as to costs associated with this appeal.
