Memorandum of Notice to Withdraw Point of Appeal 383
Network Utilities
Proposed Second Generation Dunedin City District Plan (2GP)

19 November 2020

May it please the Court

1. Chorus New Zealand Limited & others (Chorus & others) gives notice of withdrawn from part of our appeal ENV-2018-CHC-230 to the proposed Second Generation Dunedin City District Plan.
2. The Chorus & others sought relief regarding three matters including to amend the 'general assessment guidance' in assessment rules for network utilities, in relation to the benefits of network utilities (ENV-2018-CHC-230 appeal point 383). The relief sort to delete "*potential circumstances which may support a consent application*" from the assessment rules in sections 10.4, 10.5, 10.6, and 10.7. We have reconsidered the matter and after discussions with Council wish to withdraw this point of our appeal.
