## **1. INTRODUCTION**

Dunedin Stadium Property Limited (DSPL) is a Council-Controlled Organisation (CCO) established to hold the ownership of Forsyth Barr Stadium.

DSPL is a wholly owned subsidiary of Dunedin City Holdings Limited (DCHL), which is wholly owned by Dunedin City Council (DCC).

This Statement of Intent (SoI) sets out DSPL's planned activities, objectives and financial forecasts for the next three years. It includes performance measures and targets which will be reported against in DSPL's 2026 Annual Report.

## **2. OBJECTIVES**

DSPL was established with the primary purpose of ownership of Forsyth Barr Stadium. DSPL's overarching objective is to ensure this asset remains a fit for purpose venue for public and private events.

As a Dunedin City Council Group company, DSPL aims to contribute to the Dunedin City Council's strategic framework and achievement of city objectives.

In line with the DCHL Carbon Roadmap, DSPL will reduce emissions and work with DCC and DCHL to identify and scope further opportunities to contribute to Dunedin's citywide goal to be net zero carbon by 2030.

The Local Government Act 2002 also defines the principal objectives of CCOs as to:

- a) achieve the objective of its shareholders, both commercial and non-commercial, as specified in the Statement of Intent; and
- b) be a good employer as per clause 36 of Schedule 7 LGA); and
- c) exhibit a sense of social and environmental responsibility by having regard to the interests of the community in which it operates and by endeavouring to accommodate or encourage these when able to do so.

DSPL conducts its affairs in accordance with sound business practice.

In 2025/2026, DSPL intends to focus on:

- a) ensuring Forsyth Barr Stadium is maintained in accordance with the Asset Management Plan; and
- b) managing DSPL's debt prudently.

DSPL's objectives and targets for the year, as set out on the following page, support this focus.

## **3. NATURE AND SCOPE OF ACTIVITIES**

In support of its objectives, DSPL approves and regularly reviews the stadium's Asset Management Plan, monitors execution of the Asset Management Plan and the asset's performance, ensures an appropriate debt repayment programme is in place, and gives consideration to the long-term strategy for the asset.

The undertaking by DSPL of any activity of a nature or scope outside of this would be subject to the prior approval of the shareholder.

## **4. APPROACH TO GOVERNANCE**

DSPL is governed by a board of independent directors appointed by DCHL. DCHL directors appointed to the board of DSPL are appointed by DCC. Directors meet regularly to direct and control DSPL's proceedings. The role of a Director of a CCO is defined in the Local Government Act 2002 as "to assist the organisation to meet its objectives and any other requirements in its Statement of Intent." The DSPL board operates in accordance with accepted best practice.

As a council-controlled organisation that is not a council-controlled trading organisation, the company presents forecast financial statements for the year ending 30 June 2026 and the following two years, as required by section 64(6) of the Local Government Act 2002. The financial information is prospective.

Actual results are likely to vary from the information presented and the variations may be material. In preparing the financial forecasts it was necessary for the company to make key assumptions about the future. The following assumptions are significant in that if actual future events differ from the assumptions, it may result in material variances.

- Equity injection from DCHL of \$2.91m in June each year. This is assumed to continue for the foreseeable future.

## Statement of Intent 2025/2026

- Subvention receipts are forecasted to be received on the assumption that the DCHL tax group will continue to make taxable profits.

In the year ending 30 June 2025, the company made adjustments to rent and outgoings charged to DSPL's tenant, Dunedin Venues Management Limited (DVML) in order to make the tenancy more commercially viable for DVML. The budget and forecasts assume that these adjustments continue, on the understanding that, following the DCC's recent Venues Review, further work with DCHL and the DCC will result in a long-term funding model that will sustain future capital expenditure and enable repayment of borrowings. In the interim, the board acknowledges an increase in equity funding from \$2.25m to \$2.91m.

The prospective financial statements were authorised for issue on 17 June 2025 by the Board of DSPL. The board is responsible for the information presented, including the underlying assumptions and all other disclosures. The prospective financial statements contain no actual operating results and will not be updated subsequent to presentation in this Statement of Intent.

### Working with the shareholder

DSPL will undertake to keep the Shareholder informed of all substantive matters, as set out in the performance targets above. DSPL will work to build a culture of accountability and constructive working practices between DSPL, Shareholder, and Ultimate Shareholder as required. It is expected that any conflicts that may arise will be resolved directly between the Shareholder and DSPL, in accordance with appropriate governance practices.

### Acquisition / divestment of assets or shares in any company or organisation

DSPL will only invest in the shares of another company or invest in an entity if the investment is considered to be likely to produce added value to DSPL. In order to maximise benefit to the Shareholder, shares or assets may also be sold in response to, or in anticipation of, on-going changes in the marketplace.

If the Directors intend that DSPL should acquire assets, they will obtain prior approval of the Shareholder where an investment into the new assets exceeds \$500,000. For the purpose of this section, "asset(s)" includes a group of assets similar in type, cost and useful life that are purchased together and can be identified and maintained as one asset or group of assets following purchase.

If the Directors intend that DSPL should subscribe for or otherwise acquire issued capital or an interest in any company or organisation (other than minimum holdings in listed companies in related industries) they will obtain prior approval of the Shareholder.

The approval of the Shareholder is required before disposal by DSPL of any segment of its business, or disposal of any shares in a subsidiary or associated company where the value of the asset to be disposed of exceeds \$500,000.

### Compensation sought

At the request of the Shareholder, DSPL may undertake activities that are not consistent with its normal commercial objectives. Specific financial arrangements will be entered into to meet the full commercial cost of undertaking such activities. At present, DSPL does not have any activities in respect of which its Board wishes to seek compensation from any local authority.

*Group Facility Use*

DSPL will undertake "Group" purchasing of goods and services, unless it is demonstrated conclusively to the Shareholder that the total combined cost of such Group purchasing to the Group and Dunedin City Council (including the costs of ceasing any such Group purchasing), is greater than any alternative identified.

*Other agreements*

DSPL will not accept sponsorship or give naming rights to companies involved in activities deemed to be inconsistent with Dunedin City Council's ethical position. DSPL will also work with DCHL to ensure that its sponsorship policy aligns with DCC's strategic framework.
