

2021 By-election for one member for the West Harbour Community Board

Disclaimer: This candidate profile sheet has been compiled under the Local Electoral Act 2001. The Act provides that an electoral officer is not required to verify or investigate any information included in candidate profile statements and is not responsible for the accuracy of the information contained in such statements.

GOLDSMITH Kristina

My principal residence is within the West Harbour Community Board area.

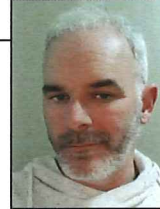

Kia ora,

My name is Kristina Goldsmith and it would be my pleasure to represent you on the West Harbour Community Board. It has been 18 years since my husband Jonny persuaded me to start our family here. In that time the community has embraced my family and me and I have come to feel a great connection to this place and the people that live here.

You might know me from my time at Sawyers Bay Playcentre, where I have volunteered for 16 years. Playcentre has given me the opportunity to support other parents and tamariki as I was supported when I first moved here. This experience has also recently allowed me to work with Plunket supporting new families.

If given the opportunity to represent West Harbour, you will find that I am a good listener and am passionate about ensuring the community's voices are heard and responded to.

HODSON Jarrod

My principal residence is within the West Harbour Community Board area.

My principal place of residence is Ravensbourne within the West Harbour area, where I have lived with my family since 1995. I have a strong active connection to the community I live in.

My goal is to provide good advocacy for the area to ensure the future growth and care of the local infrastructure and people within our community.

With the work I have done in representing the community so far, I feel I can add experience, as well as a supportive and positive local voice.

I think my best attributes as a board member would be my ability to listen to people and make sure their views are heard. I am an approachable, friendly team player that has the community's best interests at heart.

ZAINEY Anita

My principal residence is within the West Harbour Community Board area.

Hi, I am Anita Zainey. I have resided in Sawyers Bay West Harbour, for 7 years with my family.

During my time here I have focused on the surrounding land, restoring biodiversity, volunteering as a member of Matthews Track working group, and also with the Salmon Hatchery Trust.

I have a part-time role as a Support Worker in Port Chalmers which is very rewarding.

My experiences have always been based on working with people and building relationships, from tourism and hospitality, horticulture, and supportive community work.

I am standing to represent our area for the West Harbour Community board. I believe that within our diverse and expansive environment we have great opportunities to build towards a progressive, sustainable, and inclusive community for future.

These transformations can take place through a clear, people-based consultation of our people engagement, and through the implementation of volunteer-based projects to make these desires a reality.
