## Your Responsibilities and Duty of Care

- If plans are **NOT** received within **TWO WORKING DAYS**, do not start work, contact the asset owner(s) directly & quote their Sequence No.
- **ALWAYS** perform an onsite inspection for the presence of assets. Should you require an onsite location, contact the asset owners directly. Please remember, plans do not detail the exact location of assets.
- **Pothole to establish the exact location of all underground assets using a hand shovel, before using heavy machinery.**
- Ensure you adhere to any legislative requirements regarding Duty of Care and safe digging requirements.
- If you damage an underground asset you **MUST** advise the asset owner immediately.
- By using the beforeUdig service, you agree to our privacy policy and the terms and conditions set out at [www.beforeudig.co.nz](http://www.beforeudig.co.nz)
- **For more information about the beforeUdig service, visit [www.beforeudig.co.nz](http://www.beforeudig.co.nz)**

## Asset Owner Details

The assets owners listed below have been requested to contact you with information about their asset locations within 2 working days. Additional time should be allowed for information issued by post. It is **your responsibility** to identify the presence of any underground assets in and around your proposed dig site. Please be aware, that not all asset owners are registered with the beforeUdig service, this confirmation will not provide details of those asset owners so it is **your responsibility** to identify and contact directly any asset owners not listed here. Known Non-Member Utilities are listed on the beforeUdig website under the 'Utilities & Members' Tab.

Any asset owner name listed below with the status 'Not Notified' is an associate member of beforeUdig, which **ONLY NOTIFIES YOU** they may have assets present. You will need to contact them directly to obtain information about the location of their assets.

Where an Asset Locate has been requested, asset owners who provide Locate services will endeavour to respond to your preferred locate date, where possible. However, asset owners may complete the Locate at their convenience.

**Locates are supplied by individual asset owners, NOT beforeUdig. EACH asset owner may charge a fee for Location services – it is your responsibility to discuss this directly with EACH utility, prior to the service being provided.**

Asset owners highlighted by asterisks \*\* **Do Not** supply plans and/or information regarding the existence of underground assets on private property.

# Asset owners highlighted with a hash request you reference their attachment for further instructions on how to obtain plans.

The accuracy of this drawing cannot be guaranteed. Road realignment, reconstruction, alterations to ground cover, road and property boundaries (supplied by LINZ) can all affect accuracy. Accordingly, all dimensions shown on this plan, along with any advice given verbally or in writing, including probable depth of cables, must be treated as indicative only. Recent works, work in progress, alternate distribution company cables and private electrical services may be shown but can be located upon request.

All cables within the proposed work area must be located by hand-digging and positively identified before work commences. Failure to do so may result in death or severe injury if a cable is struck. Persons damaging cables will be liable for the payment of repairs and any consequential damages arising from loss of supply to electricity consumers. A list of contractors who can provide cable location services can be found at <http://www.auroraenergy.co.nz/contact/beforeudig/>.

## THINGS YOU SHOULD KNOW

- Our network changes often so you can check with us at any time to ensure your plans are current. Regardless the plan links you have been provided will expire after 45 days. The plans are indicative only and remember:
  - **Cables should be expected to be found at ANY depth.**
- In most instances Chorus plans do NOT show house service feeds on private property.
- Chorus plans are **NOTIONAL** only, and they should **NOT** be relied upon to obtain distances, reference points and cover may well have changed or the services, particularly cables moved without the knowledge or authority of Chorus since the plan was drawn.
- This information is provided solely for use by the original requester and for the purpose of this request only. It cannot be shown, loaned, given, reproduced or sold to any other party for any other work, other than for the purpose that this request was made, without written permission from Chorus.
- Onsite cable location and ground mark-outs are available, please contact us to book this service and to confirm any approximate charges associated.
- Cable Locates are \$144.56+GST for the first hour, \$36.14+GST every 15 minutes after – the only exception is shared network on Private Property
- To report damage to our network, cut cables, damaged cabinets, or pillars, please call [0800 4 NETWORK](tel:08004NETWORK) (0800 463 896 Option 2). If cable damage has been caused by irresponsibility, carelessness or negligence we will bill the organisation or individual responsible.
