Dear Jeremy,

Thank you for your email of 10 November 2015 requesting "for the amount (quantity) of parking tickets issued for that carpark over the months of August, September, and October. "

One parking infringement notice was issued for a vehicle parking in an area (Forth Street) reserved for disabled persons during the period August, September and October 2015.

We make no comment on the observation in your email that "many cars had been utilizing this park as there was no reason for a disabled person to park there."

The area can only be used by mobility card holders and all vehicles observed offending are issued infringement notices.

Yours sincerely,

Grace Ockwell

Jeremy has submitted a LGOIMA request - 524767.

Below are the details of the request

Request details:

To whom it may concern, I have received an infringement notice for an employee parking a work van on a disabled carpark. The vehicle had been using this carpark to access a building site on Forth Street for Signal Management and Otago Polytechnic. Many cars had been utilizing this park as there was no reason for a disabled person to park there. I

am requesting for the amount (quantity) of parking tickets issued for that carpark over the months of August, September, and October. I have attached documentation. Regards,
Jeremy Mackay
