Noel has submitted a LGOIMA request - 479575.

Below are the details of the request

**Request details:**

I have concerns about how a particular bar in the Octagon is operating. The Brew Bar/Macs Bar. I would like information of the requirements of this bar in the Octagon to keep the walkway clear for pedestrians, what the limits of its license is, especially the outdoor part, and details of who in the DCC to refer my concerns to about the operation of this bar.
