Good morning Mikalai,

Thanks for your email and welcome to Dunedin. It is a fantastic place to live.

The information you request is available from Quotable New Zealand (QV.co.nz - [Make smarter property decisions](http://QV.co.nz)) upon payment of a fee.

Good luck with buying a house.

Kind regards,

Mikalai has submitted a LGOIMA request - 482103.

Below are the details of the request

Request details:

Hi, I'm going to buy a house in Dunedin and use DCC website to find titles/rates/GV/recent sale information about properties. Website is very useful but it allows to browse only individual titles. What I'm looking for is bulk raw text format like CSV which I can open in Excel and calculate some statistics (similar to data that you can download from linz.govt.nz) Is information like this available to general public? Thank you.
