Dear Kimberley,

Thank you for your email of 2 March 2015 requesting information about illegal water activity.

Your request has been considered under the provisions of the Local Government Official Information and Meetings Act 1987 (LGOIMA) and the following response is provided. The DCC does not hold any information with respect to your questions. I note your comment that your request possibly does not apply to our council as much as regional councils, and confirm that this is the case. Technically, our response advising you that we do not hold any information is a refusal to supply information pursuant to section 7(g) of LGOIMA.

As we have refused to supply information, you have the right pursuant to section 27(3) of LGOIMA to have our decision to withhold information reviewed by the Office of the Ombudsman.

Yours sincerely,

Grace Ockwell

Thanks. I'll talk to our Water and Waste staff and get back to you if it would take longer than three hours to respond.

Kind regards,

Hi Grace

I mean any instances of illegal effluent or stormwater discharge or mismanagement, water taken without resource consent etc. It possibly does not apply to your council as much as regional councils.

Does that help?

Cheers, Kimberley

Hi Kimberley,

Thanks for your email. Please could you be more specific about what you mean by "non-compliance related to water".

Our LGOIMA policy provides that we do the first three hours of responding to a request for free, and thereafter the fee is \$76 per hour. As your request stands, a substantial amount of collation and research would be involved.

It may be easier to discuss refining your request with me and then email confirmation of the conversation and the refined request.

Kind regards,

Grace Ockwell
