Dear Diana,

Thank you for your email of 17 August 2015 sent to Helen Rice and Co requesting :

"copies of internal correspondence relating to this complaint, all reasons for decisions made about this complaint,

a copy of the DCC internal policies, principles, rules or guidelines that govern disputes when a complaint is made about a Building Inspection Authority and copies of the minutes of the meeting held on 16 July 2015, and records of any other meetings, emails or correspondence that the DCC has had with regard to this complaint".

Your request has been forwarded to me to process under the provisions of the Local Government Official Information and Meetings Act 1987. (LGOIMA)

We advise that the information requested is available for downloading from the following link which is operative until 14 October 2015.

We have withheld correspondence between the Dunedin City Council and our legal advisors and rely on section 7 (g) of LGOIMA to maintain legal professional privilege.

Correspondence between the Dunedin City Council and our insurers has been withheld and we rely on section 7(b)(ii) of LGOIMA as releasing the information would be likely unreasonably to prejudice the commercial position of the person who is the subject of the information, namely the Dunedin City Council.

One email exchange between Dunedin City Council officers dated 19 May 2015 has been withheld pursuant to section 7(f) of LGOIMA. Withholding the information is necessary to maintain the effective conduct of public affairs through the free and frank expression of opinions by employees in the course of their duty.

As we have withheld some information, you have the right under section 27 of LGOIMA to have our decision reviewed by the Office of the Ombudsman.

Yours sincerely

Subject: Local Government Official Information and Meetings Act 1987 (LGOIMA) request - 84 Moana Crescent

Good afternoon Diana,

I refer to your request for information about 84 Moana Crescent dated 17 August 2015.

I am extending the date for response to your request for a further 20 working days pursuant to section 14 (1)(a) and 14 (1)(b) of LGOIMA as the request necessitates a search through a large quantity of information and meeting the original time limit would unreasonably interfere with the operation of the DCC. The DCC also is required to consult with other parties prior to the release of information and these cannot be undertaken reasonably within the original time limit.

I calculate the new and final date for response is 12 October 2015.

As the date for response has been extended, you have the right pursuant to section 27 of LGOIMA to have our decision (to extend the time for response) reviewed by the Office of the Ombudsman. ([Home | Office of the Ombudsman](#))

Kind regards,

Grace Ockwell
