Dear Kimberley

Thank you for your email dated 30 September 2015 requesting the following:

- **Any costs associated with section 12 of the Resource Management Amendment Act 2013, which came into effect on September 4 and lifts the blanket tree protection in urban areas in district rules as set down in section 76 of the RMA.**
- **These costs might include changes to the council's planning and processes, more resource for including notable or scheduled trees in district and unitary plans, and creation of conservation management plans or strategies as a result of these changes.**

Your request has been considered under the provisions of the Local Government Official Information and Meetings Act 1987 (LGOIMA) and the following response is provided.

The Dunedin City Council (DCC) has no blanket tree protection in urban areas in district rules and therefore has incurred no costs in relation to section 12 of the RMA 2013.

Yours sincerely

Grace Ockwell
