Good afternoon,

Thank you for your email of 2 October 2015 requesting:

1. How much money was spent on media training by the Council since 1 January 2014?
2. Of this, did any relate to elected officials? If so, please provide details of the services, which elected representative they relate to, and the amounts.

Your request has been considered under the provisions of Local Government Official Information and Meetings Act 1987 (LGOIMA) and the following response is provided.

Since 1 January 2014 the Dunedin City Council has spent \$8,600 (gst inclusive) on media training for employees.

No money has been spent on media training for elected members during this period.

Yours sincerely,
