Dear Chris,

Thank you for your email of 26 August 2015 requesting "copies of any debrief or "after action" reports or any other documents reviewing the Dunedin City Council and/or Civil Defence response to the Dunedin flood event that began on June 3".

Your request has been considered under the provisions of the Local Government Official Information and Meetings Act 1987 and the following response is provided.

Minutes from a debrief meeting held on 25 June 2015 in the Civic Defence Emergency Operations Centre and a debriefing report are withheld pursuant to section 7(2)(f)(i) of LGOIMA as withholding the information is necessary to maintain the effective conduct of public affairs through the free and frank expression of opinions by or between officers in the course of their employment. However the information presented at the debrief meeting will be used to develop a corrective action plan which will be publicly available upon completion.

As we have withheld information you have the right pursuant to section 27 of LGOIMA to have our decision reviewed by the Office of the Ombudsman.

Kind regards,

Grace Ockwell
