Deborah has submitted a LGOIMA request - 518270.

Below are the details of the request

Request details:

Attention: Planner - Tree enquiry We have a large Silver Birch(I think) tree on our property at 75 Cannington road, I've looked on significant tree list and it doesnt appear to be listed - could you confirm it's not a 'significant tree' should we decide anytime in future to remove it or trim back it's canopy,alternatively we may just leave it as it is. We await your reply, Thank you, Debbie & Darren Abbott
