Dear Mr Cecchi,

Thank you for your request under the Local Government Official Information and Meetings Act 1987 for correspondence to and from Anne Rodger pertaining to 2GP, regarding the height of shipping containers and/or noise issues.

A review of council records shows that you are the only person who has been in conversation with Anne Rodger on this topic. All the relevant correspondence in our system is between her and yourself. You are already in possession of this correspondence so it is not necessary to provide you with this information.

Regards
